Salem High School Closes Successful Year, Nelson

Teachers of the Salem high school have worked harmoniously and efficiently and pupil cooperation has been admirable, states the annual report of Principal J. C. Nelson which was released Thursday by City Superintendent George W. Hug.

The most urgent need of the school is a larger assembly room, the report states. At least 200 pupils could not be seated at student assemblies this year.

Enrollment for the year was one less than in 1926-27, and due to the stationary figure, it has been possible to accommodate all classes in the present building. However, the report predicts that more space will be urgently needed after the lapse of another year.

Total enrollment for the year reached 1203, 560 boys and 643 girls. This compares with 1204, 578 boys and 626 girls, for last year. Financial conditions are held to be responsible for failure of the expected increase in enrollment.

By classes, the 1203 students are segregated: tenth grade, 233 boys and 277 girls, total 510; eleventh, 183 boys and 191 girls, total 374; twelfth, 112 boys and 166 girls, total 278; post graduates, 12 boys and 9 girls, total 21. Beginning with the school year 1923-24, enrollment for the last five years has progressed as follows: 1029, 1099, 1184, 1201 and 1203, each year the girls outnumbering the boys by a considerable margin.

The senior class which graduates tonight is the second largest in the history of the school.

International hard court championships 1-6, 6-3, 6-4, 6-3. With Hunter's elimination, America's hope for the men's crown passed in the tournament while the defeat of Penelope Anderson of Richmond, Virginia by Eileen Bennett of England 6-3, 7-9, 7-5 left Helen Wills as the only remaining representative of the United States in the women's play.

While Cochet was advancing to the quarter finals at Hunter's expense, another of the French "Three Musketeers" was reaching the semi-final round ahead of the field, the redoubtable Rene Lacoste scoring in easy fashion over Jack Crawford, the young Australian star.

WHITCOMBE TAKES IRISH GOLF CROWN

NEW CASTLE, Ireland, May 31.—(AP)—Earnest Whitcombe, who lost the British open championship to Walter Hagen by a stroke in 1924 today landed his first national title when he won the Irish open with the remarkable score of 288.

The Bournemouth professional, elder of the famous British golf brothers, led the big field all the way. He finished seven strokes ahead of Archie Compston in the three-day struggle over the links stretching between the Mourne mountains. There seemed a possibility at one stage of today's play that Whitcombe might overhaul the Irish champion, but a play-off tomorrow. This caused an unusual flurry among officials as Compston's plans call for him to sail for New York tomorrow. The championship came hurriedly engraved on an airplane to take the lanky star to Ireland to overtake the outward bound liner.

Graduate Managers Fix Coast Conference Dates

MISSOULA, Mont., May 31.—(AP)—Graduate Managers of the Pacific coast conference at the first session of their spring meeting here today fixed dates for the conference golf and tennis tournaments, for the basketball play-off between the northern and southern divisions and decided to abandon the Pacific coast conference track meet next spring, as held under the existing program, and permit the divisions to substitute northern and southern meets instead.

Then also considered the proposed routing for the schedule which has been under consideration at this meeting. Committees were named to report the various problems brought up at another meeting at 8 o'clock this evening.

Jack Benefiel, of the University of Oregon, presided as chairman. Faculty representatives, meeting in another room, decided the question of using freshmen competition for the schools who encourage such activities. The exact regulations have not been formulated as yet. The problem is in regard to the limiting of freshmen competition so as to obtain equalized seasons in the different sections, the school terms varying in the northern and southern colleges.

The Pacific coast conference golf tournament was fixed for May 16 and 17, 1929, at Seattle. The conference tennis tournament was set for May 17, and 18 at Los Angeles.

Play-off for the basket title between winners in the southern and northern divisions will be held March 2 and 3 on the court of the northern school winning the sectional title. In case of a division, and a play-off it would be necessary to postpone the championship games for a week.

STUDENTS OF YALE UNIVERSITY IN RIOT

NEW HAVEN, Conn., May 31.—(AP)—Five Yale students who were arrested in connection with a student riot against police early today were released by the city court later in custody of Professor H. H. Tweedy of the Yale divinity school.

No action will be taken by the university authorities, Dean Clarence W. Wendell said, until after their cases have been disposed of in city court. "Any breach of the peace is up to the police to punish," said the dean, "and we will back up the police. The identity of six or ten others who were among the leaders is known and they will be called for an explanation."

The riot started when several students took offense to the noise of a city sewer machine and pelted the workers with bottles and fruit. A series of cheers caused hundreds of students to gather on the campus.

Street car trolleys were yanked down and finally a squad of police rushed the crowd. One student was arrested and he was beaten by police headquarter when friends tried to rescue him. Some of these were taken into custody by police for interference. At the police station several hundred young men collected and stones were thrown.

A large glass window in the office of the chief of police was broken with stones when the demand to release the prisoners was refused.

FIGHTERS WORKING OUT FOR BIG BOUT

NEW YORK, May 31.—(AP)—Tommy Loughran, light heavyweight champion, and Pete Latzo, Scranton miner, went back to their training grind today to whittle down to edge again for their round title match at Ebbetts field tomorrow night. Rain caused postponement of the bout originally scheduled for Wednesday night.

Loughran played handball for an hour at a local gymnasium and planned a few miles of roadwork before weighing in again at the offices of the New York state athletic commission tomorrow afternoon at 2 p. m. Latzo returned to Plimpton Lakes, N. J. to work a few rounds with sparring partners.

At the first weighing Wednesday afternoon the champion barely made the class limit of 175 pounds while Latzo topped the beam at 169.
