Give the home enduring beauty

TRULY, home beauty is paint deep! No matter how carefully you work out your color scheme, the fresh beauty of new paint will not endure unless the paint is of the highest quality—able to resist for years, the attacks of sun and moisture. B-H Pure Prepared Paint assures you this sturdy resistance to the elements and protection against rot and depreciation. For B-H Pure Prepared Paint is made of the highest quality materials by a firm having years of experience in paint-making. A scientific way to choose colors is by the B-H Exterior Color Harmony Chart. It shows you many harmonious combinations for roof, sides, trim, wash, awnings and flowers. Use the coupon. Then let us give you the color card and suggestions on painting your home.
