

TEACUP TALK MEANS BUSINESS, SHANGHAI

SHANGHAI.—(AP)—The Chinese tea house serves tea, as one over tea cups. There are more than 400 teahouses in Shanghai to do, but in Shanghai it is con-

siderably more than a tea house. It is, for the Chinese, a combination of a bank, a real estate exchange, a brokerage office, an insurance agency, a sample fair, a commercial clearing house, an employment bureau, a news bureau, and many other activities.

Old Folks Say Doctor Caldwell was Right

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875. He placed on the market the laxative prescription he had used in his practice, known to druggists and the public since 1892, as Dr. Caldwell's Syrup Pepsin.

Then, the treatment of constipation, biliousness, headaches, mental depression, indigestion, sour stomach and other indispositions that result from constipation were entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin, which is a combination of senna and other mild laxative herbs, with pepsin.

Directions: It is equally effective at all ages. Elderly people will find it especially all. All druggists have the general bottles. We would be glad to have you prove at our expense how much Dr. Caldwell's Syrup Pepsin can do for you and yours. clients. Different groups of customers attend at different hours of the day. Many houses supply their customers with reserved seats for five or six dollars a month, this price including four cups of tea.

Restaurant and inn keepers, cooks, butchers and rice dealers are regular customers and there they settle their accounts. In Shanghai, building contracts are sublet again and again and such arrangements are nearly all made in tea houses. Insurance agents look for clients there. Custom does not permit them to solicit business, but introductions are easily arranged.

Employers look for workmen. Curio dealers display their wares, the more prosperous renting stalls. Tailors with big rush orders for a funeral or a wedding, parcel out the work to friends of the same calling while they sip their tea. Money lenders have funds to finance small tradesmen or to lend to laborers.

Chinese newspaper reporters never fail to make frequent rounds of the important tea houses.
