CHIPS OFF THE OLD BLOCK

**"I LIKE THE WEATHER"**  
I do not care, come sun or wind Or rain  
All kinds of weather  
Weave through each precious year for me  
Like threads in some rare tapestry;  
Here scarlet hue, there silver blue,  
And black, then white, all running true,  
And lo, a fabric fair is made,  
Deep patterned, rich in tint and shade.  
And so, the fog, the frost, the snow:  
Salute!  
I like the weather,  
All kinds together.
