

Fighting Alcos Will Oppose Senators at Oxford Park Next Sunday

SCHEDULE REMAINS AS LAST ARRANGED

The fighting Albany Alcos will oppose the Salem Senators at Oxford Park diamond next Sunday, it was announced yesterday after word to this effect was received from President George J. Wilhelm of the Willamette Valley League. Wendling will play at Eugene and Bend at Cottage Grove.

The postponement of two games last Sunday and the fact that Bend and Eugene, the teams that did play, had a postponed game left from earlier in the season, made it an open question whether next Sunday would see the schedule continued as announced, or set back a week and all the postponed games played.

However, it was decided that because of some extra games scheduled for the week of July 4, involving the movements of teams after playing their regular games July 1, the schedule would not be tampered with any further, as all of the postponed games will probably be played July 8.

Next Sunday's game here is one the fans have been looking forward to all season, as Salem and Albany are always been deadly rivals in baseball, and a bitter contest is assured. Salem won at Albany early in the season, but that was before Red Rupert's men hit their stride. They have been playing tight ball for the past several weeks, blanking Cottage Grove Sunday before last.

LOMSKI AND LATZO PREPARED TO FIGHT

NEW YORK, June 12.—(AP)—A weight advantage of probably 10 pounds and a reputation as one of the hardest slugger body punchers in the business, made Leo Lomski of Aberdeen, Wash., a slight favorite over Pete Latzo, the former Scranton, mine boy, as the two wound up training today for their 10 round bout tomorrow night at Ebbets field.

Latzo is by no means figured out of it, however, and there are many who witnessed his great though losing battle against Tommy Loughran a few days ago who give him an even chance to match punch for punch and win from the Aberdeen assassin. This chance is believed to depend to a large extent upon the effectiveness of Lomski's body attack and Latzo's success at blocking blows to the kidneys, something he was unable to do against Loughran.

Another way to meet prominent people is to announce that you will furnish bail.—Richmond News Leader.

TENNIS TOURNAMENT BEING PLANNED

Bob Boardman yesterday announced the coming Northwest YMCA tennis tournament, for which arrangements are now being made. Some 25 associations will be represented in this meet, and the contests will be first class. Most of the associations will be represented by players who have had either high school or college coaching and experience.

The date and place of the tournament have not yet been definitely set, but the place is apt to be either Seattle or Tacoma. Some time in the near future, Portland and Salem will have an elimination match to determine which association shall represent this district.

HORACE FORD SLIPS UP ONCE

NEW YORK, June 12.—(AP)—Horace Ford, Cincinnati shortstop, snapped his errorless record as 26 consecutive games here today when he fumbled and then threw wildly past first base for two misplays on the same change in the fifth inning of the clash between the Giants and Reds. Ford previously had handled 135 chances without an error.

HANSEN-LILJEQUIST BEATS CARPENTERS

Hansen & Liljequist blanked the Carpenters in an industrial twilight baseball game at Oxford Park Tuesday, winning 12 to 0.

The lumber refiners started their scoring spree early, the first four men up getting around the circuit. Three more runs were scored in the second inning, and five in the fourth. This canto was featured by a home run by Harnsberger, third baseman for Hansen & Liljequist.

The Carpenters got several men on third base, but Giggers, Hansen & Liljequist pitcher, always tightened in the pinches and prevented their scoring.

ITEM RECALLS DAYS OF OLD BALL CLUBS

Loris Baker, short stop belonging to the San Francisco club, was this week sent to the Southern association in Chattanooga, according to word reaching his father, C. B. Baker who is yardmaster for the Southern Pacific in Salem. Young Baker has been with the Seals three years. He has played with the Dallas team in the Dallas league of the south and also with Peoria in the Three I's league.

Mr. Baker the elder is an old time ball player himself, and an item in The Statesman's 25 years ago column about the old Willamette valley league games brought him to the office to have a look at the story itself. He was shortstop for the Roseburg team during the only season Roseburg belonged to the Willamette valley circuit and that summer met the Salem team several times. He recalls that six of the Salem players belonged to the Chemawa Indian school.

Baker's baseball ability may be judged from the fact that he was the only player retained when the Roseburg club jumped local talent and hired professional players to set a pace in the old league. In those days remuneration was a flat \$60 per month for each member of the nine, he said.

J. E. Stone, deputy prosecuting attorney, accompanied them.

U. OF ILLINOIS MAY PLAY HERE

Salem baseball fans may have a treat in store for them early in August, it was learned Tuesday. The University of Illinois baseball team, from the school that developed Red Grange and other famous football players, is coming to Oregon to sail for Japan, and may play the Salem Senators August 9 or 10.

The game has not been definitely arranged, but indications are favorable. The fact that the team is to make a tour to Japan, is regarded as sufficient indication that it is a fast aggregation.

RITCHIE KING WINS NOD OVER BULAHAN

PORTLAND, June 12.—(AP)—Ritchie King, Seattle lightweight, had an appreciable advantage in height and reach over Battling Bulahan, aggressive young Filipino, and he used his superior boxing skill to such purpose that he won eight of the 10 rounds and the decision in the final bout on the boxing program here tonight. Bulahan, a San Francisco lad, was outclassed in everything except durability and perpetual willingness to fight.

The other scheduled 10 round fight went only one round and a fraction. Bob Mariels, local heavyweight, launched an avalanche of short right hooks and straight lefts to the jaw of Mike Stewart, hardy resident of Seattle, and Stewart sank to the canvas four times in the first round and the same number of times in the second. The last time he stayed there.

Kewpie Riley, Vancouver Wash., and Joe Sileoff, Seattle, both 135 pounders, battled a furious six round fight to a draw.

In the first event, a scheduled fourth round ga. Frank Warneke, 140 pound local boy, scored a third-round knockout over Young Morgan, Vermonia.

COMPANY B BOASTS SPEEDY BALL TEAM

Company B, 162nd Infantry, is optimistic as to its prospects of winning the baseball championship at Camp Clatsop this year, members of the unit admitted last night on the eve of their departure for the annual encampment.

The local company's chances hinge largely on the performance of the Russell brothers, who form the pitching staff. Kermit, who is a regular member of the Salem Senators mound staff, and his brother Delmer, both have a mean pop, and are expected to make opposing batsmen blink as their fast ones flit past.

George, who worked behind the bat for Salem high in the season just ended, will be the catcher. John Steelhammer, prominent twilight league player, will be on first. One of the Russell boys on second, George Bell at shortstop, and Lieutenant Pod Maison on third. Kitchin, Hill and Shepard are some of the outfield possibilities.

GALE IMPENDS WHILE NOBLE WAITS RESCUE

It seemed as if nothing in the exciting history of Mexico had ever stirred the people as did this peace time accomplishment.

Church bells, which had been mute since the religious dispute stopped regular services, were rung for the first time since August, 1926. Flags and bunting blossomed from balconies, confetti was brought out, and the city started an impromptu carnival that promised to last throughout the night.

President Calles received messages of congratulation from President Coolidge, and sent replies to Washington, including greetings to the aviator. The state department and the Mexican foreign office exchanged felicitations also.

It may be in Spitzbergen Thursday. The Russian ice breaker Malgin, sailing from Archangel today, can make the trip to the vicinity of Northeast land in about ten days. She must first come to Kings Bay to replenish her coal supplies after the voyage from the Russian coast.

OSLO, Norway, June 12.—(AP)—Experts who examined today's news from Kings Bay said that the situation of the crew of the Italia is critical. The weather underwent a change here today, a strong northwesterly wind bringing snow.

NEW YORK, June 12.—(AP)—The New York American tomorrow will carry a copyrighted dispatch by radio from General Umberto Nobile, commander of the dirigible Italia, stating the airship is lost and with five of the crew he is drifting on pack ice in view of islands and a coast line.

Two of the men with him have broken legs, he said. Of the others, three are on the march. He knows nothing of seven who were carried away by the airship, which he believes is about 30 kilometers east of him.

Nobile said his party has 50 days' reduced rations, but is without boots, guns, boats, sleds, medical supplies and stoves.

PISA, Italy, June 12.—(AP)—A Dornier-Wal hydro-airplane will start tomorrow at 5 a. m. for Spitzbergen to aid in the efforts to rescue General Nobile and his companions. It will have a ten hour cruising radius and can carry a load of 5,000 pounds useful cargo.

The pilots are Major Penso and Captain Crosio, who will be accompanied by an expert mechanic, Zanchetti, and a radio operator, Della Gatta.

TELLS DAVIS' WORK

A sketch of the work of Merritt Davis as head of the commercial department of the Salem high school was in last month's issue of "The Balance Sheet," Cincinnati commercial trade publication. The article dealt largely with the system of apprenticeship for senior students which Mr. Davis inaugurated here and has been responsible for a considerable increase in the director's mail. Inquiries regarding it have come from all parts of the country.

Fewer openings for his stenographic and bookkeeping students have come to Mr. Davis this year than in some time. Mr. Davis reports. The graduates are doing a good deal of their own job hunting this year and many have already been permanently located.
