We've always thought the United States senate took all prizes for a dignified and extremely powerful body spednig ts time on childish subjects We've been wrong. Last week the house of lords andthe house of commons took straw votes on the subject of bobbed hair for 1928 Chevrolet Coach | women. CHICAGO GRAIN CHICAGO, June 12.—(AP).—Sharp setbacks in prices today for all grain except corn resulted largely from a soak-ing received by much of the American spring wheat beit. Reports that stocks of Argentine corn in Canada are exhausted helped uphold the corn market. Closing quotations on wheat were un-settled, 1 7-8c to 2%c not lower with corn % off to 3-8c up and oats 1-8 to 1 3-8c down.

Once we could console ourselves mer with the thought that, anyway, it was good for growing crops. Now a lower Tule lake grain rancher comes along to remind us that the grasshoppers are thriving on it.-Klamath
