JAMES LISLE HAS BIRTH ANNIVERSARY

Belief Expressed That Memorial Day Idea Originated With Salem Man

Dr. James Lisle, at 1041 South Thirteenth street, yesterday celebrated his 86th birthday anniversary. He was one of the original circuit riders, riding a circuit of 400 miles, in western Iowa, where there were wolves and horse thieves and buffalo all over the Hawkeye state. He preached 24 or more times every month, besides all the funerals, weddings and other special services, and they paid him \$104 a year. When he married, his pay was raised to

\$140 a year.

He enlisted in the Union army, and is believed to have originated the whole idea of an annual memorial day in commemoration of the fallen Civil war soldiers; for in 1866, two years before the day was nationally proclaimed, he held a public memorial service, and called for its general observance.

Dr. Lisle came to Willamette university in 1909, and still holds an honorary place on the faculty, though he retired from active work several years ago. The faculty used to say of him, "If there's anything anybody else does—could be found."

n't know, go ask Dr. Lisle—knows!" Dr. Lisle has been for 65 years an active member of the Masonic lodge, and is still chaplain of Pacific lodge, Salem.

Too-Successful Excursion

ROME—So many Italian war veterans wanted to visit the battlefields on May 24, anniversary of the nation's entry into the world war that the expedition had to be ultimately postponed until accommodations ever anything anybody else does—could be found.

Millions of Families Depend on Dr. Caldwell's Prescription

When Dr. Caldwell started to practice medicine, back in 1875, the needs for a laxative were not as great as they are today. People lived normal, quiet lives, at plain wholesome food, and got plenty of fresh air and sunshine. But even that early there were drastic physics and purges for the relief of constipation which Dr. Caldwell did not believe were good for human beings to put into their system. So he wrote a prescription for a laxative to be used by his patients.

The prescription for constipation that he used early in his practice, and which he put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid vegetable remedy, intended for women, children and elderly people, and they need just such a mild, safe, gentle bowel stimulant as Syrup Pepsin.

Under successful management this prescription has proven its worth and is now the largest selling liquid laxative in the world. The fact that millions of bottles are used a year proves that it has won the confidence of people who needed it to get relief from headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colds and fevers.

Millions of families are now never without Dr. Caldwell's Syrup Pepsin, and if you will once start using it you will also always

J. B. Caldwell, M.D. AT AGE 63

have a bottle handy for emergencies. It is particularly pleasing to know that most of it is bought by mothers for themselves and the children, though Syrup Pepsin is just as valuable for elderly people. All drug stores have the generous bottles.

We would be glad to have you prove at our expense how much Dr. Caldwell's Syrup Pepsin can mean to you and yours. Just right, "Syrup Pepsin," Monticello, Illinois, and we will send you prepaid a FREE SAMPLE BOTTLE.

Veterans' Column

Capital Post No. 9 elected delegates and alternates to the state convention to be at Medford on August 2, 3, 4 at the regular meeting, Tuesday evening. They are as follows:

Delegates: R. G. Malson, Lyle Dunsmoor, Raymond Bassett, Carl Gabrielson, Douglas McKay, Braser Small, Irl S. McSherry, Herman Brown, Gus Wisong, Walter Zoel, Oliver Houston, Don Wiggins and Frank Moore.

Alternates: Lloyd Rigdon, Carl Steiner, Newell Williams, Lewis Campbell, Jennings, William Paulus, Jack Elliott, Breysman Boise, Ted Irwin, P. D. Quisenberry, Onu Olson, Don Young, W. L. Royal and E. H. Hobson.

The American Legion Auxiliary glee club will sponsor a dance at Crystal Gardens on Friday, June 22 to defray transportation expenses of the glee club to the state convention. There are 30 members of the club and they are being directed by Miss Lena Belle Tartar.

The club from Hood River won the contest last year at La Grande and the Salem club is working toward that accomplishment this year.

Capital Post No. 9 will stage several dances on July 4th this year and the funds derived from the dances will be used to defray the expenses of sending the drum corps to the state convention at Medford. Complete announcements will be made in the near future relative to the dances.

George E. Love, state commander, and Carl Moser, state adjutant of the American Legion, will leave the latter part of the week for an extended trip into southern Oregon. While at Medford they will review the plans for the convention.

Irl S. McSherry, of Capital Post No. 9, state vice-commander of the American Legion was a visitor at the state headquarters Friday. Lester Albers, state adjutant of the Idaho department, Arthur Murphy, past commander of the department of Oregon and W. W. Stuart, district executive committee man from Albany were also visitors at headquarters.

The special order of business at the next meeting of Capital Post No. 9 of the American Legion will be the consideration of the motion made Tuesday evening relative to the reconsideration of the action concerning the invitation for the American Legion to hold the 1929 convention in Salem. There is some agitation to withdraw the invitation in favor of Pendleton. However, it is felt by many that Salem is the logical place for the 1929 convention.

Commander "Fod" Malson left Salem early Tuesday morning for two-weeks' sojourn on the Clatsop plains. In other words he will spend some time there herding a few of the boys around at the National Guard encampment. In his absence Vice-commander Herman Brown is "in."

Silverton. (Special)—The success of Silverton's Second Annual Air Circus is partially assured by the numerous entries from pilots and ships from all parts of the coast. The following schools, flyers and owners have entered their planes: Continental Airways; Ryan monoplane and a Travelair; biplane. Hill Aeronautical school, Travelair. The Mackenzie-Morrow Aviation Co., two American Eagl planes; The Aeronautical Pursuit Corporation, a Travelair; the Bush Flying Service, a Travelair; Waco and Eaglerock; The National Aircraft Corporation, Eaglerock Rankin Flying Service, a Ryan Brougham Monocoupe, and two Wacos. A. R. Egger, a Travelair; and Captain Eagle with five Army ships.

All of the pilots taking part in the Air Circus will be afforded free gasoline, lodging and meals. Air circus headquarters have been established in the old Bowser Building in Silverton.

Hal Hibbard Camp, United Spanish War Veterans, will soon be enjoying most of the privileges with none of the responsibilities of a state encampment. Last year the local camp made a strong bid for the state meet, losing out finally to McMinnville, one of the smaller camps where it was felt that a state encampment would bring them a revival of enthusiasm. Salem was properly disappointed, but feels that it is near enough to McMinnville to get most of the advantages with none of the work and worry of a big state meeting. Practically the whole camp, of about 60 members, will attend the McMinnville reunion, as guests instead of as slaves, and they say they'll have the time of their lives. The convention is called for the latter part of July.

Many Salem people are making the
