Sale Starts Thursday, June 28th 9:A.M

EVERY DAY SAVINGS A KAFOURY POLICY

It has always been a Kafoury policy to save its patrons a few cents on every purchase throughout the year, with only a few sales to close out odd or discontinued lines and end of season sales to close out seasonal merchandise.

Kafoury Bros. do not use comparative prices in their advertising as they are not a guide to real value; the original price or the reduced price may not be a criterion to the article's real worth.

This sale is two-fold. To acquaint more people with Kafoury's Credit and Budget plan and to clean out broken lines and spring and summer merchandise, and they are passing tremendous savings on to you. Be here early Thursday morning.
