FAMILY SHOW

#### OREGON THEATER

This coupon—a sales slip from an advertiser in this Green section showing the purchase of \$1 or more and 50 cents will admit one entire family to the Oregon theater for the Monday evening show featuring the picture "The Flying U Ranch" and the Singer Stock company in "Flirting Brides."

may be said of B. M. Bower, noted author, if credit is given to the rumor that she has in mind her spouse when she drew the character of "Chip," who plays a prominent part in many of her novels, including "The Flying U Ranch," the current attraction at the Oregon theater Saturday, Sunday and Monday, starring Tom Tyler.

While she has never directly admitted this, it is generally intimated by those close to her that her husband, R. N. Bower, is the original "Chip of the Flying U," leading character and title of one of her most famous stories. "The Flying U Ranch" is a sequel to this, and the same character appears, although he is not the lead.

admit anyone. As to the show itself—it is an exceptional one. There will be five acts of Association vaudeville featuring Guss King's Melody Land. Then there will be the picture "Lady Be Good."

Two of the screen's most popular and talented players, Dorothy Mackall and Jack Mulhall, unite to produce an evening of entertainment in "Lady Be Good," the First National farce comedy scheduled for a local showing Saturday at the Elsinore theater.

Based on the musical comedy hit of the same name, "Lady Be Good" promises to be the most popular picture in which the Mulhall-Mackall team has appeared this season.

There will be a matinee at the Elsinore Monday afternoon to which the proper coupon, 15 cents and a sales slip for one dollar from some advertiser in this Green section will admit anyone. The special part of this matinee will be the Fanchon and Marco Idea "The Great White Way." This will feature Joe Verdi, the famous Italian comedian. There will be several other stars in the company and the Sunkist beauty dancing chorus. Then there will be the picture "Sporting Goods."

Richard Dix, and Malcolm St. Clair, screen star and director respectively, have been re-united with the filming of "Sporting Goods," Paramount's latest production, in which the popular screen star is said to have eclipsed any previous picture made. The production will appear Sunday at the Elsinore theater.

The team of Dix and St. Clair have enjoyed many successes in the past. One of the outstanding pictures of the past season was "Knockout Reilly," in which the two combined their talents, and the resulting picture was claimed by Paramount officials as having been one of the best pictures ever produced by the concern.

The Family show will be at the Oregon on Monday evening as usual and 50 cents, the proper coupon and a sales slip for one dollar from some advertiser in this Green section will admit the entire family.

The Singer Stock company is scheduled to present "Flirting Brides" at the Oregon Monday evening and this is some comedy.
