FIERCE GALE HITS CHILE

Violent Storm Sweeps Along West Coast of South America
Anofagasta, Chile, July 11.—(AP)—A violent storm raged on the coast of Chile today, destroying a considerable part of the defense works of the port. The storm advanced southward and in Valparaiso reached great proportions.

OUR USED CARS are unusual in many ways.

In the first place, our stock is unusually complete, with a wide choice of makes and models in every price range. Then, too, they are in unusually good condition. And we will always tell you truthfully all we know about the car's history and mechanical shape. And finally, our used cars offer unusual value. Prices are amazingly low—and the word of a Buick dealer stands back of them.
