Inasmuch as the Cuban press has taken decisive stands against the machines, their doom is virtually sealed, it being understood that the proposed law will pass without opposition.

## CHILDREN TO HAVE BIG KITE CONTEST

### Lincoln Play Grounds Win Snappiest Game of Season July 14th

The baseball team of older boys from the Lincoln playgrounds met the 14th street players yesterday afternoon and defeated them 3-2 in the best baseball game of the playground season. Fourteenth street had the game in its pocket 2-0 till the sixth. Lincoln got in one run each in the sixth and seventh, which had the game tied at 2 all through the eighth. The winning run was made in the last inning. The 14th street smaller boys won from Lincoln by the larger but less impressive score of 50-4.

The breeze of yesterday afternoon gave encouragement to the boys who will enter the kite contest this week. The large open field at the 14th street grounds is ideal for the use of kites and all the boys should enter it. The archery contest the same afternoon should prove of general interest also. Both contests will be held on Friday afternoon.

Girls at both 14th and at Yew Park are putting in considerable practice for the tumbling exhibition to be given some afternoon in the near future. A girls' track meet for girls of all three grounds is also being planned by the directors, but the details have not yet been arranged. Saturday afternoon at 2 o'clock the girls at 14th street grounds will have a doll parade. This is not a doll buggy affair, but a parade strictly for the benefit of the dolls.
