Marriage First at New Church Building

THE first marriage to be solemnized in the new Presbyterian church which was formally dedicated last month took place at three-thirty o'clock Sunday afternoon, August 12, when Miss Edna Jansson, daughter of Mr. and Mrs. J. H. Jansson, became the bride of Paul W. Ellis, son of Rev. and Mrs. J. Lincoln Ellis.

One hundred guests were present for the double ring service which was read by the Rev. Earl Jansson of Kingsbury, California, a brother of the bride, assisted by the Rev. J. Lincoln Ellis.

The bride wore an attractive wedding gown of ivory tulle, made with close-fitting bodice and uneven hemline and a full length tulle veil. She carried a shower bouquet of sweet peas, orchids and lilies of the valley.

Miss Neva Finney, a cousin of the bride, was the only attendant. She wore a frock of pale-green tulle with picture hat to harmonize and carried an arm bouquet of gladioli.

Harold Ellis, brother of the groom, acted as best man. The ushers were Richard Weatherford, Harold Colgan, Glen Finney and John Ellis.

Art baskets of mid-summer flowers in pastel shades and seven-branch candelabra with ivory tapers were arranged before a background of clematis and greenery as a lovely setting for the service.

Leon Jansson sang "Because" preceding the ceremony and later, "Calm as the Night." Miss Marian Emmons played "On Wings of Song" as a violin solo, accompanied by Miss Ruth Edford. The wedding march was played by Miss Alice Sykes.

30 GRADE TEACHERS QUIT THEIR PLACES

Thirty teachers, or 15.8 per cent of the total teaching force in the Salem schools, have resigned so far this year, figures compiled yesterday by George W. Hug, city superintendent, show. Resignations to date fall just one short of the total for 1926-27, when 31 or 17.4 per cent of the 178 faculty members quit after being re-elected.

A year ago the greatest number of resignations occurred among the grade teachers, but this year the grade faculty has the lowest number, a fact for which Mr. Hug attributes a loss to a definite reason unless it is that more work is demanded in the two higher schools.

One of the chief reasons for resignations, whether in the grade or high schools, has been the low salary scale prevailing, many of those who have left going to other schools at a substantial increase.

The statistics show that of this year's vacancies, eight were among the 53 high school teachers, 14 from the 60 junior high teachers, and eight from the 77 grade instructors.

A year ago, seven of the 52 high school instructors resigned; 11 of the 56 on the junior high staff and 13 from the 70 grade faculty members resigned.
