

College Team Takes Slow Ball Game from Salem Senators

SENATORS LOSE TO ILLINOI TEAM

Visitors Swamp Salem Club When Beck's Control Goes A. W. O. L.

The University of Illinois baseball team beat the Salem Senators 12 to 1 Monday afternoon at Oxford Park, scoring 11 runs in the last three innings after the teams had battled on even terms up to that time, with the score tied at one all from the fourth on.

For six innings the Senators appeared to have the edge both at bat and in the field. Then fans saw something they had never witnessed at Oxford Park before; Johnny Beck completely lost control. It wasn't so much that he walked four men in two innings, though every man he gave a free pass tallied a run for the visitors; but Beck wasn't working the batters the way Edwards was calling for. His low inside pitches were shoulder high and across the plate, and the Illinois murdered them. O'Grady hit a homer with two on, and there were plenty of other hits all bunched in three innings. But in each of those innings there were more runs than hits.

The Senators got their one run in the first inning after two were out. Ridings hit a two bagger and Sullivan hit another in the same direction.

GERMANS PLEASED AT OLYMPIC GAMES

BERLIN, Aug. 13. (AP)—Germans on the whole are well satisfied with the showing of their Olympic teams at Amsterdam. Their athletes are placed second with eleven gold, nine silver and 18 bronze medals, trailing the United States but leading 30 other nations.

Germans hold that this is a very creditable performance and shows, as the Boersse Courier puts it, that "despite war, hunger, blockade and inflation there is still plenty of life in the old dog yet."

The success of Germany's women athletes came as a surprise and a revelation. Frau Lina Radke, champion 800-meter runner, got a rousing ovation at her native city of Karlsruhe yesterday. The swimming champion, Hilde Schrader, and the fencing gold medalist, Helen Mayer, are being celebrated in prose and verse.
