

# Bishop's Clothing and Woolen Mills Store, Incorporated

A Store whose values you can depend upon—Salem's most progressive store

# REMODELING SALE

STARTING WEDNESDAY AT NINE FOR 10 DAYS

## Store will be made one-fourth larger

We are adding 2,500 square feet of floor space to the rear of our store, which necessitates the tearing out of walls and fixtures. Carpenters are now on the job. Walls must come out in a few days. Workmen must have room. So stocks must be sacrificed at once—first to make room for the carpenters and second to prevent stocks from coming in contact with dust and dirt that is bound to accompany building alterations.

## Progress and Development

The history of the Bishop's Store is one of constant and rapid growth. For thirty-eight years this store has been on the alert to take care of Men's Clothes interests right and make it profitable for all our customers to trade here. With this new addition to our store we will endeavor to give the men of Salem Clothes Service such as would be found in the largest Eastern cities. We have faith in Salem and faith in our thousands of satisfied customers. If there is such a thing as business depression this store is certainly not a part of it. We have shown considerable increase in our business for the first seven months of this year.

## VALUES ARE STOREWIDE—COME EARLY—THOUSANDS WILL ATTEND THIS SALE

We're cleaning all broken lines of Men's and Boys' Suits, Shoes, Underwear, Hats and other furnishings. Our entire stock of Pendleton virgin wool Bed Blankets and Indian Robes will have to be sacrificed as we have no place to keep them until the completion of our new annex. You'll find great values throughout this large store and it will pay you to be here the first day.
