Plaintiff In Suit For Alimony Says She Never Married

LOS ANGELES, Aug. 21. (AP). — Although Clara Berg has pending a divorce suit against Commander M. A. Berg, naval officer, she dmitted in court today that he never had married her.

This phase of the case developed today at an alimony hearing when the naval officer's affidavit that he never had married Mrs. Berg was introduced. Mrs. Berg then testified that there never had been any marriage ceremony.

Marriage by common law is not recognized in California. The court asked the attorney to bring legal authorities to support Mrs. Berg's contention that she is entitled to alimony.
