

Chicago Cubs Now Tied With Giants for Second Place

ST. LOUIS YET GOING STRONG

Cardinals Increase Lead Over Giants in National League Column

CHICAGO, Aug. 28.—(AP)—The St. Louis Cardinals strengthened their hold on first place in the National league pennant race when they made it two straight from the Cubs today, winning 6 to 0.

PITTSBURGH, Aug. 28.—(AP)—Pittsburgh entered the race for fourth place with the Cincinnati Reds in the National league today by walloping Philadelphia in a double header. The Pirates took the second game 16 to 7 and the first 9 to 2.

NEW YORK, Aug. 28.—(AP)—The Braves festooned the Giants homecoming with crepe today by taking both games of a doubleheader from the aspiring Clax McGraw by scores of 3 to 2 and 7 to 5.

The double reverse dropped the Giants to a point five and one half games behind the Cardinals, who won their second straight from the Cubs.

SEEDED PAIRS PASS ROUND 2

BROOKLINE, Mass., Aug. 28.—(AP)—At but one of the eight seeded pairs entered in the 47th annual national tennis doubles championships survived the second round play today on the courts at the Longwood Cricket Club.

Jean Borotra and Rene de Buzet of France, seeded fourth in the foreign group, bowed to the Australian pair, R. D. Cummings and E. F. Moon. The scores were 6-4, 6-4.

The French pair's downfall, the first upset of the tournament, was not totally unexpected. They were forced to play three hours of rugged tennis yesterday when Edward Higgs and I. C. Collins of England refused to be conquered until they had held on for five sets.

Henri Cochet and Jacques Brugnon, the French Davis cup players who are top seeded in the foreign group, came safely through three hard sets with H. W. Austin and J. C. Gregory of England. The French stars, winners of the Wimbledon title recently, won the first two sets, 6-4, 7-5, and then lost five straight games to the Brits.

George M. Lott, Jr., and John Hennessey, seeded first in the American group, met with but slight opposition in their advance to the third round. They crushed Ricardo Tapia and Alphonse Unda, the Mexican pair, by scores of 6-0, 6-0, 6-2.

Second U. S. Team Wins
The second seeded American pair, Johnnie Van Ryan and Wilmer Allison, also were favored by slight opposition. They had an easy time eliminating William Ardelott and P. G. Rockefeller, 6-3, 6-4, 6-2.

R. N. Williams, 2nd, and Watson Washburn, ranking just below Van Ryan and Wilmer on the seeded list, disposed of Fred and Don Dixon, the Inter-Mountain doubles champions, 6-1, 6-2, 4-6, 6-3. The other seeded home breeds, W. W. Ingraham and A. W. Jones, continued in the tourney by defeating Carl P. Kamman and Charles W. Barnes, holders of the Missouri Valley doubles crown.

Ex-Braves Help Giants In Race

Boston is famous for two things—its beans and its ball players. The fame attached to the latter is rather hollow, however, since the players of late have helped another club—the Giants. Four former Braves are keeping New York in the pen nant fight. They are Pitchers Benton (lower) and Genewich, (left) Catcher Hogan (right) and Out fielder Welsh (inset).

Beavers Crush Hollywood Stars to Tune of 14 to 6

LOS ANGELES, Aug. 28.—(AP)—The Portland Beavers spoiled the league leading Hollywood Stars' return home by spanking them 14 to 6 in today's series opener in which five home runs were made.

An eight run rally in the sixth gave Portland the game. The Stars made three errors in that inning and only one of the eight rallies was earned. Heath, Bassler and Osterberg each poled a homer or Hollywood. Sigaloffs rapped successive circuit clouts for the Beavers in the eighth frame. All of the circuit clouts came when the sacks were empty.

Angels Win Easily
SACRAMENTO, Aug. 28.—(AP)—Los Angeles took the jump in the Marathon series, here this week by grabbing the opening sprint six to one. The Angels hopped all over Kallio in the first inning to put over enough runs to win.

Oakland Defeat Seals
OAKLAND, Calif., Aug. 28.—(AP)—The Oaks drew first blood today in a nine game series with the San Francisco Seals when Dumovich allowed only four hits to win a pitching duel from "Dutch" Reuther, leading pitcher of the Coast league. The score was 3 to 0.

DEATH—G. J. T. Barnes of Blue Lake, near Portland, Monday was held under \$500 bail for reckless driving in connection with the recent death of Mrs. Effie Pugh, Portland actress.

Mrs. Pugh, who was riding in the Barnes' car, was injured fatally when the machine crashed head on into a stage near Hubbard. The accident occurred when Barnes attempted to pass another car going in the same direction.

Mrs. Pugh was a member of the Manhattan Players, and was known under the stage name of Effie Johnson.

Gene Finds "Privacy" as Only Few Score Men Call With View to More Speed

LONDON, Aug. 28.—(AP)—Gene Tunney has found the privacy he has been hunting.

Except for a score of callers, literary lights, sports experts and autograph seekers, the retired champion had the day to himself. He breakfasted with Thornton Wilder, the novelist and companion on a projected tour of Europe, and then went shopping. He spent most of the afternoon at an old Bond street art gallery where an exhibition of paintings by his friend Zarth Prichard, undersea artist, is on view.

Tunney returned to his hotel to find Hugh Walpole and several other British writers awaiting him for tea.

The former champion has decided to go to Paris Monday to get through with the welcoming ceremonies there as quickly as possible in the hope that they will be the last in Europe.

Tomorrow night Tunney will be the guest of Harry Preston, British sports promoter, who is a close friend of the Prince of Wales. The Prince, however, is not likely to attend the function because he is in Scotland and Tunney said tonight that he knew nothing about any arrangements being made for him to meet the heir to the British throne.

The Preston dinner is a preliminary to a boxing match between "Newsboy Brown" and Johnny Hill, but Tunney said emphatically today that he did not intend to attend the bout.

His departure for Paris will cancel plans for his seeing George Bernard Shaw who is in Italy at present unless the meeting takes place on the Continent.

His greatest mistake when coming to Europe was not bringing his secretary, Gene said. His room is cluttered with piles of telegrams, bunches of flowers and many books which publishers have poured in upon him since his arrival. Arrangements are being made for a temporary secretary to take care of his affairs.

That is the date set for the third game of the playoff series Tuesday with Albany. Joe Sullivan will return to South Bend, Ind., as a member of the athletic coaching staff at Notre Dame university, where this season he was captain of the baseball team, and he will take Heenan along with him. Heenan is entering Notre Dame as a freshman and in addition to trying out for other sports, will be a member of Sullivan's freshman baseball squad next spring.

Billy Sullivan will return to Columbia university at Portland. He specializes in baseball, but turned out for basketball last winter just to keep in condition and managed to make the team although he's not crazy about the game.

Now that long distance flights have become quite the thing, why not promote an Astoria-to-Astoria flight, Astoria, Or., to Astoria, N. Y.? But it would be just like Portland to beat us to it and stage a Portland-to-Portland flight.—Astoria Budget.

Mount Jefferson Climb Proposed By Y Secretary

Ben Rickli, assistant secretary at the Salem Y. M. C. A., announced yesterday that the "Y" will sponsor a week-end climb on Mt. Jefferson if 10 or more persons will sign up to make the trip.

Those who have been into the Mt. Jefferson county report that it is very beautiful and that the ascent is not especially difficult except for the 500 feet. The last climb, the summit is quite steep, but at this time of year it is not so difficult as at other seasons.

According to Mr. Rickli, three days will be necessary for the trip. The party will leave Salem Saturday and ride in autos as far as the forest service road will permit, then walk or ride horseback to Hunt's cove on the south side of the mountain, where camp will be made. The climb would be made Sunday, and the party would return to Hunt's cove that night and to Salem Monday. A competent guide will be in charge of the ascent.

At least ten will have to sign up for the trip if it is to be made. All who are interested are advised to communicate with Ben Rickli at the Y. M. C. A. not later than tonight.

BOBBY JONES LEADS FIELD OF GOLFERS

CHICAGO, Aug. 28.—(AP)—Bobby Jones today set a course record of 37-39-67, in the Warren K. Wood Memorial tournament, at Flossmoor and led the field of American and British players by four strokes.

His 30 on the second nine lacked only one stroke of equalling the world's record and his 67 was a new mark for the Flossmoor links. James scored seven consecutive threes, including an eagle on the 483 yard tenth, where he holed out his chip shot from a trap.

"Chesterfield? certainly!"

why?

MILD enough for anybody... and yet THEY SATISFY*

*TO SATISFY, a cigarette must have, first of all, the right kind of quality tobaccos... and then, these tobaccos must be put together just right. The tobaccos in Chesterfield cigarettes are blended — one against another — blended and cross-blended so as to give you mildness with taste. MILD they certainly are, and what's more, they SATISFY.
