

# BROOKHART HIT DOUBT HEADS

### Farmers Double Crossed by Leaders, Republican Senator Asserts

DES MOINES, Sept. 20.—(AP)—Senator Smith W. Brookhart of Iowa, republican, charged that the farmers had been "double crossed" by three farm leaders who have endorsed the democratic presidential ticket, in a speech before the convention of the Iowa Farmers' union here today.

Speaking in support of the Hoover-Curtis ticket, Senator Brookhart charged that George N. Peek of Moline, Ill.; Frank W. Murphy of Wheaton, Ill.; and William Hirth of Columbia, Mo., have not acted in the best interests of agriculture. The trio named were active supporters of the McNary-Haugen bill and have approved Governor Smith of New York as a presidential candidate.

Brookhart was applauded when he finished his speech and left the convention hall, but the Iowa Farmers' union immediately passed a resolution as a "protest of the American farmer at the insulting and high handed manner in which the republican national convention turned a deaf ear to the pleas for justice for agriculture."

The resolution called for Hoover's defeat but did not mention Governor Smith.

CHICAGO, Sept. 20.—(AP)—George N. Peek, denounced today in a speech by Senator Brookhart, republican, replied tonight that the "action of the Iowa Farmers' union is answer enough for me."

Francis Ross, a 165 pound half-back is being groomed to fill the place of Lawrence Pratt, who graduated last June. Ross has speed and astuteness and driving power that makes him a hard man to down. Ross is a track man.
