### Contest on Between Los Angeles and Cincinnati; Head Winds Hit

FORT WORTH, Tex., Sept. 21.—(AP)—Winging their way across West Texas against head winds which at times attained a 40 mile an hour velocity, pilots participating in the Los Angeles to Cincinnati air race landed late today at the night control station here.

The fliers, who are backtracking over a route they took two weeks ago in quest of prizes totaling \$20,000 were paced from El Paso to Fort Worth by Robert Duke of Pittsburgh, whose diminutive American Moth crossed the finish line at 2:11:02.

Second to negotiate the 600-mile stretch between Fort Worth and the far west Texas city was Theodore W. Kenyon, flying a Challenger. He reached the municipal airport here at 2:22.

George W. Hopkins, who chose to remain in the air without stopping at El Paso, Tex., for fuel, was timed at 3:11:54. He is flying a Stinson Detroiter.

F. J. Whitman, whose pheasant plane developed carburetor trouble at El Paso and did not take off until almost two hours after other contesting airmen had turned the noses of their craft east, was the fourth to be checked in. He arrived at 3:31:34. J. Sheely Charles, who did not reach the El Paso air field in his Eagle Rock, until 7:30 a. m. today, was fifth, reaching his destination here at 4:15:12.

# Indictments for Murder Returned Against Young Northcott and Mother

### SACRAMENTO, Cal., Sept. 21.—(AP)—A telegram from the office of Governor C. C. Young was dispatched tonight to Secretary of State Frank B. Kellogg, requesting him to wire authorities in Vancouver, B. C., asking in the name of the federal government, for the provisional detention of Mrs. Louisa Northcott and Gordon Stuart Northcott.

Requisition papers for their extradition will be signed by the governor on Monday and delivered to authorities from Riverside county.

RIVERSIDE, Cal., Sept. 21.—(AP)—Murder indictments against Gordon Stuart Northcott, 20, and his mother, Mrs. Sarah Louisa Northcott, charging them with slaying youths on the Northcott chicken ranch near here returned by the county grand jury today.

Northcott and his mother, both of which are under arrest in California, were charged in one indictment with the murder of Walter Collins, 10, who disappeared last spring from Glendale, Cal. The second bill charged Northcott with the slaying of an unidentified Mexican youth and Louis and Nelson Winslow, aged 12 and 10, respectively, who disappeared several months ago from Pomona, Cal.

**Shameful Crime Charged**

The second indictment contained a count charging the 21-year-old Canadian with an "infamous crime against the nature of Sanford Clark, Clark, 15 year old nephew of Northcott, declared he was shamefully mistreated over a period of two years that he remained a virtual prisoner on the Northcott chicken ranch.

The two indictments were returned immediately in superior court before Judge William E. Deby of Inyo county.

District Attorney Albert F. Ford, who represented the evidence to the grand jury, announced that he would prepare a telegram at once to be sent to secretary of state Frank Kellogg at Washington asking the provisional arrest of Northcott and his mother by Canadian authorities.

VANCOUVER, B. C., Sept. 21.—(AP)—Gordon Stuart Northcott indicted as the slayer of a child figure in the "murder farm" at Riverside, Cal., late today had begun his legal fight to escape the clutches of the California law.

Safe behind the bars of Okalla prison, at the outskirts of Vancouver, the 21-year-old prisoner summoned the aid of Frank Lyons, Vancouver barrister, to represent him in the expected extradition proceedings necessary before he can be removed to California.

His mother, Mrs. Sarah Louisa Northcott, was under arrest at Calgary as a codefendant in the case.

Professing regret that he had caused the boy's parents sorrow the writers struck a pretended religious note in the following paragraph: "Meanwhile we hope God will watch over us as he had done during our adventures in crime. We are bad, bad, and we'll let him decide whether we shall be caught beforehand. We will not complain, but accept his wishes as they befall on us."

The investigators this morning found a morphine outfit in the vicinity of the place where the boy's body was discovered in brush along the bank of the Alwal canal, opposite the Royal Hawaiian hotel.

The authorities announced that they gave Kaitiana, daughter of chauffeur of the Jamieson family, an injection of a drug and that while he was in a semi-conscious condition in consequence, admitted that he had written the "Three Kings" letter demanding ransom of Jamieson.

Confession Denied

When the effects of the drug passed, however, Kaitiana repudiated the alleged confession, the officers said, and continued to deny that he knew anything about the "Three Kings" or the kidnaping.

The penmanship of the letter sent to the Star-Bulletin was said to resemble the hand printing of the letter demanding ransom which Jamieson received. Belief that parts of the ransom letter were taken from a popular detective novel caused an investigation to be made at the Hawaii library to ascertain who had borrowed the book recently.

**BAD FIRE IN DALLAS**

DALLAS, Ore., Sept. 21.—(Special)—A disastrous fire caused a loss of several thousand dollars to the sawdust bin of the Mountain States Power company, located just south of the Williams Valley Lumber company mill in Dallas shortly before 1 o'clock this afternoon.

After about one and one-half hours hard work by the fire department, assisted by the fire fighting forces of the mill, who played streams of water on the burning structure and the light plant, the flames were brought under control. The fire had gained considerable control when discovered.

The sawdust bin has been the scene of several fires in years gone by and at one time was destroyed. Work of rebuilding the bin will be started as soon as the sawdust has barged out and the debris cleared away.

# West Salem News

### By Helen H. Rodolf — Phone 24021

The council of West Salem is pleased that the people here have noticed and appreciated the many recent improvements in the layout of the town, the greater supply of water and the more adequate fire protection.

Mrs. H. H. Dixon, head floor-lady of the West Salem branch of the North West Cannery, says that most of the prunes that the North West is handling are being canned here. Friday something new was done in the packing of six prunes into small cans to be sold at Woolworth stores. They will act as brokers, selling them to restaurants for individual servings for breakfast. Mrs. Dixon says these will be superior as they are canned fresh.

**SALVATION ARMY'S BUDGET APPROVED**

The Salvation Army must raise \$445 in an annual campaign which starts in Salem and Marion county October 3. It was decided at a meeting of the Army advisory board held in the chamber of commerce rooms Friday night. This, with \$454 estimated revenue, will give the Army a budget of \$10,000, its need based on the present year's operation.

Captain E. M. Williams will direct the campaign.

Items include \$3200 for relief work, maintenance of the home service department including cost of the campaign for funds; and \$600 for Marion's county's share in the upkeep of the Army rescue home.

The Army's report for the year ending August 31, 1928, shows that 1962 garments, 534 pairs of shoes, 782 meals other than Christmas dinners, were provided for needy persons, that beds were provided for 468 and that 1364 families were aided. Twelve girls from Marion county were taken into the White Shield home and seven babies were born to Marion county girls there.

The Army estimates that 14,960 persons attended its outdoor services in the past year, and 762 the indoor meetings. Combined attendance at the meetings held in the state prison was 3226.
