Parisian accent; in sensing its hidden subtleties-the ability to feel and grasp the motif which inspires the creation. This is service of high degree as rendered by the French Shop.

Thus we gain and hold patronage, maintaining a prestige based on performance-the actual presentation always of hundreds of phenomenal values.

Cost of Electric Cooking Reduced The delightful convenience of Electric Cooking is no longer an expensive luxury. In many homes it costs even less than other fuels.

The MONARCH Electric Range has done much to bring this about. Its oven heats with surprising quickness - and keeps on baking long after the current is turned off. The top burners are of a new and extremely efficient design. The Automatic Time and Temperature Control will cook your entire meal, according to orders, whether you are at home or away.

MONARCH Electrics are made in a large variety of styles and sizes to meet the requirements of every family. The combination with built-in coal and wood firebox, for heating and burning waste, is very popular.

Let us estimate the cost of electric cooking in your home. You will be under no obligation. Whether you are in need of a range or not, you will be interested in our display of these Modern Cooking Devices.

Monarch Ranges can be purchased on a most attractive Time Payment Plan
