we suggest Dobbs newest hat creation  
"Aldershott"

hats have also succumbed to an advancing civilization... gone are the days of big bold bad brims... smart blocks with swirl of edge and tapering crown are the order of the day... such a hat is Dobbs "Aldershott"—ready to put on \$10.00.

**Free Gold Fish**

We are giving away a crystal bowl containing two gold fish, with the purchase of a fifty-cent box of Comints, the delicious mint laxative. We couldn't think of a more acceptable gift with which to introduce this very mild and pleasant laxative. Comints are mild and harmless, nothing habit-forming about them.

**Constant Adherence to QUALITY**

THIS store was founded several years ago, with the thought that it could live and develop only by adhering to a policy of constant devotion to the interest of the customers it would serve. Such a policy, simple to define, has presented no easy task. Occasional business depression, sharp competition, and the stress of changing years have brought their trials and temptations; but the French Shop is proud to tell its loyal customers that it has never veered from its founder's code.
