Free Gold Fish
(Including Fish Bowl)

We are giving away a crystal bowl containing two gold fish, with the purchase of a fifty-cent box of Comints, the delicious mint laxative. We couldn't think of a more acceptable gift with which to introduce this very mild and pleasant laxative. Comints are mild and harmless, nothing habit-forming about them.

SERVICE
That Our Customers Praise

French Shop service is so much a part of the store itself that it might, in a sense, be called standard merchandise. Our service and our guarantee are offered to you with every purchase. This is an important reason for the hearty satisfaction that you know as one of our customers. Nor, as you will attest if you are an old customer, is this only a matter of the moment. For service has always been the pride of this store... yesterday, today and the tomorrow that looms ahead... and we shall continue to measure our business life in deeds, not years.
