

CHAMBER HAS SNAPPY TALKS

Five Minute Speeches Make Big Hit at Largely Attended Luncheon

Days of the "Four Minute Speakers" were recalled Monday at the Salem Chamber of Commerce luncheon when a program of five snappy talks, each limited to five minutes, was presented to an exceptionally large and appreciative number of members and guests. President Vick announced that while each speaker was allowed five minutes a fine would be assessed in the event that a speaker failed to use his full time. The treasury was not enriched by so much as a thin dime.

First introduced was Douglas McKay, commander of Salem's American Legion post, who spoke of the high honors won by the post's drum corps at the national convention of the Legion in San Antonio where, in competition with the nation's best and richest, they carried off second prize. He outlined the program of welcome which begins with the arrival of the drum corps at the Southern Pacific station here today, urged all to take part and thanked the citizens of Salem for their spontaneous response.

Next came M. P. Adams, manager of the Sky Line orchards, discussed the walnut growing industry in the Willamette valley. He declared that as soon as walnut production in the valley reached the volume which is entirely possible here California will have to play second fiddle.

President Doney spoke of the progress of that institution and showed its value to Salem. He said that the student body, although necessarily restricted to about 500, is drawn from approximately 30 states and brings about \$200,000 to Salem annually, spending about \$1,000 a day.

Dr. Doney explained the objects back of the coming drive to raise about \$150,000 in order to complete the contract with the Rockefeller Foundation and said that the goal of Willamette University officials is to make that institution the finest in the northwest.

Henry Crawford, a member of the State Fair board, talked interestingly of that institution, the things it does for Oregon and for Salem, its appreciation for what Salem has done for the fair and the future plans whereby Oregon's fair is to be the best in this section. Among other things he estimated that, at a conservative figure, \$5,000 persons from outside Salem visited the fair and spent \$10 each, making \$250,000 brought here during the one week. He also explained that the dates for the fair are fixed by the legislature, not the board.

State Treasurer Kay, the fifth speaker, found himself handicapped by time in presenting excellent reasons for defeating the proposed Dunne automobile tax reduction and gasoline tax increase bills at the November election. He said Oregon has section \$70,000,000 in highways that is superior to that of any state with an approximate similar population and showed that all this work, as well as future road programs would be wrecked through passage of the Dunne measure. "Business men who have the interests of Oregon at heart should do their best to see that these crippling bills are defeated," he declared.

Indian Lad Hit By Motor Truck

Malcolm Clark, Indian boy, was hit by a motor truck near the "Big Chief" service station five miles north of Salem on the Pacific highway Saturday night. He was taken to a Salem hospital for examination and then to the Chemawa Indian school hospital, where it was reported that no bones were broken and that the lad was suffering from bruises only.

Here for Hoover

Colonel William (Wild Bill) Donovan, who was awarded the Congressional Medal of Honor for wartime service with the old 89th N. Y. Infantry, and now assistant attorney general of the United States, was one of Herbert Hoover's advisers in the preparation of the speech of acceptance.

CHICAGO GRAIN
 CHICAGO, Oct. 15.—(AP)—Speculators who had anticipated a big increase of the United States wheat visible supply became active buyers of wheat today at the last.

Closing quotations on wheat were net: No. 1 hard red winter wheat, 97c; No. 2 hard red winter wheat, 96c; No. 3 hard red winter wheat, 95c; No. 1 soft red winter wheat, 94c; No. 2 soft red winter wheat, 93c; No. 3 soft red winter wheat, 92c.

NEW YORK STOCKS
 NEW YORK, Oct. 15.—(AP)—The stock market gave an impressive demonstration of strength today in the face of a marking up of call money rates from 4% to 4 1/2 per cent. More than two score issues were elevated to new high

records, several of the gains running from 2 to nearly 35 points. Total sales ran over 4,000,000 shares.

Cane Threading was the spectacular individual feature, soaring 34 1/2 points to a new high record at 59 1/2 and closing near the top. National Tea soared 18 points to a new top at 228 and came to 351 and Montgomery Ward ran up nearly 12 points to a new peak at 204 1/2, and retained all but a fraction of its gain. Industrial Rayon, International Harvester, Motor Products, Otis Elevator and General Cable all established new high records on extreme gains of 5 to nearly 10 points.

Fresh buying came into the oil shares. Mexican Seaboard crossed 9 to a new

high on the recent discovery of a gusher well in El Paso county.

Predictions of higher copper prices and increased dividends stimulated the buying of the copper shares, Chile climbing more than 4 points to 54 7/8. American Smelting fell back 5 points on the traditional "selling on the good news," but recovered most of its loss.

Chrysler ran up more than 5 points and Hudson received fresh buying support but General Motors turned heavy. Heaviness also developed in Cuy, Curtis, International Nickel and Warren Bros. Selling of Goodyear, which broke 5 points, was attributed to the delay in the arrival of the Graf-Zeppelin.

Lad Shoots Gun Load Into Thigh

HOOD RIVER, Ore., Oct. 15.—(AP)—Robert Turnature, 16, was seriously injured today when an accidental discharge from his shotgun tore its way through his thigh. The boy was hunting near this city. He was in a hospital here tonight.

"Western Auto" Presents the 1929 radio

Western Air Patrol "100" All Electric High-Boy

COMPLETELY EQUIPPED
