Come and Hear One of the Outstanding Lectures of the Series

"What are the Keys Christ Gave to Peter

Does the Pontiff Hold Them Today?

Or Who Has Them at Present?"

Dr. Clark, for many years head of the Methodist Mission in Rome, Italy, heard Prof. Everson give this lecture in New York City, and said he was highly pleased to hear such a clear explanation of this age-long controversy. He expressed himself as personally inspired by it. Prof. Everson puts the problem in such simple, clear language that anyone can understand it.
