

B. P. W. National Official Now In Oregon

SALEM business and professional women will have the opportunity of meeting Miss Emily R. Kneubuhl, executive secretary of the National Federation of Business and Professional Women's Clubs, when she makes her western tour of inspection this month. Miss Kneubuhl will be the guest of honor and the principal speaker at the banquet to be given by the Portland club Thursday night, October 25, in the Crystal room of the Benson hotel at Portland. Local members who are planning to attend are requested to make reservations with Mrs. Maude Pointer, at 2458 R, not later than Monday night, October 22.

Miss Kneubuhl will be in Astoria Tuesday night, October 23, in The Dalles Wednesday, in Portland Thursday, in Eugene Friday, in Marshfield Saturday, in Klamath Falls October 29, in Medford October 30, in Grants Pass the day following, and she will leave for California points November 1. In each city she will address members of the local business and professional women's clubs. Her reputation as a speaker and lecturer is very interesting, for during the past six years she has spoken in 27 states before representatives of all the larger women's national organizations.

The national federation, of which Miss Kneubuhl is executive secretary, numbers 50,000 members located in 47 states and the Hawaiian Islands. Included in the federation are 300 local clubs and 45 state federations. The organization, which is non-partisan and non-sectarian, is made up almost entirely of self-supporting women and numbers among its members the most important business women executives in the United States.

Miss Kneubuhl's professional career began in the teaching field following her graduation from the University of Minnesota, and she was for several years principal of one of Minnesota's largest schools. In 1918 she headed the call for war work and became organizer with the War Camp Community Service remaining in that capacity until 1920. She then joined the staff of the Minnesota League of Women Voters as organizer and lecturer, going from that position to a similar position with the National League of Women Voters, and thence to the Cincinnati League of Women Voters. During her residence in Cincinnati she became deeply interested in the movement for city manager government and conducted Cincinnati's campaign for city manager charter in 1924. Her success was so conspicuous that she was invited to conduct a similar campaign for Rochester, N. Y., in 1925. Just prior to joining the National Federation staff, Miss Kneubuhl was connected with the faculty of the School of Citizenship and Public Affairs of Syracuse University.

GET RID OF YOUR FAT

Thousands of others have gotten rid of theirs by my simple and efficient method of fat reduction without starvation diet or burdensome exercise, often at a very rapid rate and WITHOUT PAYMENT until reduction has taken place.

I am a licensed practicing physician and have made a careful study of the physiological requirements of the human body. This has enabled me to select such ingredients and in such proportions as in my opinion will produce not only a loss of weight without harm and an improvement in health, but with it an alleviation of all of the troublesome symptoms which frequently accompany and often are a direct result of overweightness, such as shortness of breath on slight exertion, palpitation of the heart, etc., not to speak of the relief from the embarrassment of being too stout. Stout persons suffering from such diseases as Chronic Rheumatism, Gout, Eczema, Asthma and high blood pressure are greatly relieved by a reduction of their superfluous fat.

My treatment will relieve that depressed, tired, sleepy feeling, giving you the renewed energy and vigor which come as a result of the loss of superfluous fat. If you are overweight do not postpone but sit down right now and send for my FREE TRIAL TREATMENT and my plan whereby I am to be PAID ONLY AFTER REDUCTION HAS TAKEN PLACE if you so desire.
