ducted a column on its front page devoted to general event. comment upon topics more or less timely. It has been suggested by some that this feature, while a good one, has outlived its interest. In order to get a line on what Salem thinks of the "What They Think" column several persons were asked to say frankly what they think about it. Here are the replies:

ARCHIE SINGERLAND, paper mill worker, said: "I read the paper every day and read that 'Think' column for a while but it got sort of dry to me and I quit it. There's a sameness about it, seems like. I think you birds ought to think up something new once in a while-its all you've got to do, ain't it?"

G. O. OLIVER, vice president of Willamette university, said: do not see the Statesman regularly, but I always find the What They Think' column interesting when I do see it. I think it is a good feature for a local paper such as the States-

LOUIS OBERSON, manager of the Willamette university book store said: "Once in a while I miss the Statesman, but when I see the 'What They Think' column 1 find the topic interesting and the opinions interesting, too. The fellows at my frat read it and it makes an
