

Thursday, Friday and Saturday

Original 1c Rexall
ONE CENT SALE

What is a Rexall One Cent Sale?

It is a sale where you buy an item at the regular price, then another item of the same kind for one cent. As an illustration: The standard price of Klenco Dental Creme is 50c, you buy one tube at this price and by paying 1 cent more, or 51 cents, you get two tubes, and save 49 cents. Every United Drug Co. article in this sale is a high quality guaranteed product, just the same as is sold every day at the regular price. No limit—buy all you want, but on Thursday, Friday and Saturday only!

A PROFIT-SHARING METHOD OF ADVERTISING

This sale has been developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you two full size packages of high quality merchandise for the price of one, plus one cent. It costs money to get new customers, but the sacrifice in profit is justified, because we know the goods will please you.
