PARENTS HAPPY WHEN BABY SLEEPS SOUNDLY
Here's a way to soothe crying, wakeful babies to sleep quickly and easily. It's the way doctors endorse, and millions of mothers have proved is safe and harmless. A few drops of purely-vegetable, pleasant-tasting Fletcher's Castoria, has the most fretful, restless baby or child asleep in a few minutes! And for colic, constipation, colds and upset spells, there's nothing like Castoria. The Chas. H. Fletcher signature is the mark of genuine Castoria. Avoid imitations and be safe.—adv.

Better Light is Need for Safety Reader Declares
Interest aroused by the Statesman's publication of opinions of Salem folk upon the matter of the city's street lighting today brought in numerous voluntary statements about lights. Among these is Mrs. Aure C. Peery of 1263 State street.

"The street lights in the vicinity of the capital and Kimball park are not adequate for safety," Mrs. Peery reports. Not only should there be more and stronger lights, but there should be lights among the trees in the park. Just recently two girls sought refuge in my home after being accosted in the vicinity and several cases of a similar kind were noted last fall. The police have been called repeatedly to investigate hold-ups and attacks inspired by the lack of lights. The insufficient lights available should not be extinguished at 1 o'clock as they have been in the past, but should continue to burn throughout the night. I believe that safety demands the immediate correction of this condition."
