tion on the excursion to Forest Grove last Saturday. This is the first time that the trophy has been presented for any competition.

The trophy is a handsome galvanized iron cup, three feet high and mounted on a base 14 inches in diameter. The rim of the cup is painted cardinal and the gracefully curving handles are colored gold. At the top of the space for the usual engraving of reward a brilliant cardinal numeral '30 is blazoned.

Members of all classes exclaimed at size and design of the trophy, and were loud in proclaiming that they would give the junior class strong competition when another contest is announced by the Blue Key organization.
