FIND "FRIEND IN NEED"

Mother and Daughter Praise Vegetable Compound

Johnson City, N. Y.—"My daughter was only 20 years old, but for two years she worked in misery. She was all run-down, nervous, had aches and pains and no appetite. I was taking Lydia E. Pinkham's Vegetable Compound with good results so she decided to try it. Before she had taken two bottles her appetite was better, she was more cheerful and was able to work. I cannot praise your medicine too highly. It is wonderful for mothers and for daughters. It's surely a friend in need."—Mrs. L. E. Hall, 223 Floral Avenue, Johnson City, N. Y.
