FOR SALE—Used Cars

With an O'K That

Counts

Contrary to the usual procedure of dealers at this time of the year we are not offering a 1929 license with our used cars, but we have cut prices on all our cars from \$25.00 to \$50.00 which in all cases is well over the price of a new license. We have done this in the belief that it is more of a saving to the customer than the promise of a new license, in that it is a saving on the down payment-a saving on the monthly payments and a saving on finance charges.

We invite you to inspect our
