dentally this girl's father is the principal of one of our schools." JULIUS R. WILSON, deputy

county clerk, said: "A fellow recently out of the navy brought in his discharge today and asked to have it recorded. Now a navy discharge, it seems, carries the thumb print of the man to whom it refers; at least this discharge does. What I don't see is how we can ever make an exact duplicate of that thumb print. We're supposed to copy the discharge exactly as it is."

hristmas relief. In addition to a general appeal for donations to the fund, the Salvation Army will place its familiar tripods and kettles at conentent places in the city to collect to spare coins that well-wishers may want to give. These will be in place Friday morning and the tinkling of little bells will be a continuous accompaniment for he Christmas shopping parade.

A cross-section of humanity is pictured in the stories Army workers tell about Salem families that will require the kindly servces of the Army at the Christmas season.

"There are mothers and mur. derers; men who want to die and children who want, above all else, to live beyond their illness; folks who are tired, defeated and dowfied in the maelstrom of life; here is illness and distressmore than one case of the disress of downright starvation," says Captain Earl M. Williams, commanding the Salvation Army corps here.
