We further certify that the estimate of expense of the various institutions of the County, of the amount required for public enter-

prises, roads, bridges, ferries, etc., and all other expenses of the County as therein set out, is just and is based upon a careful study of

the expenses of the County during the past and a thorough examination of its probable needs during the year for which such estimate is

made. That each and every item therein is believed to be necessary for the proper transaction of the business of the County, the pro-

tection of its property and interests and to be for the public welfare. That every expense estimated is in accordance with law, and is a
