## THREE ARE INJURED AT MILL CITY MILL

MILL CITY, Ore., Dec. 20.—(Special)—Charles Dairrell was badly crushed and bruised but received no broken bones Monday when he was caught between a twelve inch cut and the big edger at the Hammond mill. He was removed to the hospital where Dr. Allen examined him and said it would be necessary for him to remain in the hospital for at least three days. Mr. Dairrell had his back to the approaching cut doing some oiling when the accident occurred.

A son was born to Mr. and Mrs. Guire last Friday. He has been named Richard Leland. The Guires moved here just recently.

Wayne Horner ran a spike through his foot Friday night while working with the millwrights. He had been at work only an hour when the accident occurred.

Ray Arthur ran a pickeroon through the instep of his left foot Tuesday, chipping the bone. It has caused him a quite a bit of trouble but he is able to be around on it again.

## EASTERN BERRIES RULE YULE MARTS

Eastern cranberries are ruling the Christmas market entirely in Salem this season for the first time in years, all due to the shortage of the crop in the lower Columbia bogs. The imports are higher than those offered earlier in the season, a minimum price of 25 cents a pound, or two pounds for 49 cents, being in evidence now. The quality of the eastern berry is fully as good as the Oregon growings.

Another indication of Christmas is the appearance of the tiny oranges, whether Japanese or the small navels. The small navels may be bought as low as 15 cents a dozen, or 25 cents a pound, and though some of those offered this week do not appear to be of good quality, the "meat" is all right. Arizona grapefruit sells at two for 15 cents and 10 cents straight.

Grapefruit from Florida sells at three for 25 cents now, and though some of those offered this week do not appear to be of good quality, the "meat" is all right. Arizona grapefruit sells at two for 15 cents and 10 cents straight.
