TO CLEAR OUT ALL OF OUR PRESENT STOCK

13 Years Serving the Women of this City

In June 1915, a small store was started on Liberty street by Kafoury Bros. The little store on Liberty street was occupied about six months when it became necessary to move to larger quarters, so, the business was moved to 416 State street. After four years in this location they had to look for a still larger store to accommodate the fast growing business, so, in 1919 Kafoury Bros. moved to 466 State street—their present location.

In 1921 the store was completely destroyed by fire. The building was rebuilt—new fixtures and new merchandise purchased—resulting in a new and better store.

In 1922 a Silk Shop was opened in Portland and in 1927 Kafoury Bros. entered the Department Store field in Springfield.

And now—another great step forward—Moving to better and larger quarters where we hope to give even better service to the public.

CONVENIENT CREDIT PLAN

For the convenience of our patrons we offer these two credit plans. A Thirty Day Account Service and a Budget Buying Plan. These plans were inaugurated to further broaden this establishment's service to this community.

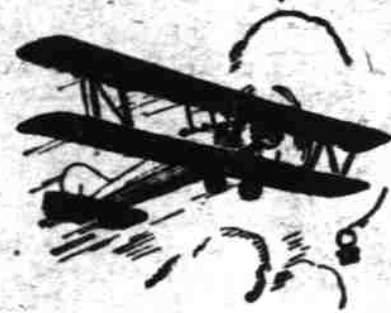

30-DAY ACCOUNT PLAN

The Thirty Day Account Service enables responsible parties to make their purchases whenever they wish and pay for them every thirty days. It eliminates the carrying of small change and it gives an accurate record of their expenditures.

BUDGET BUYING PLAN

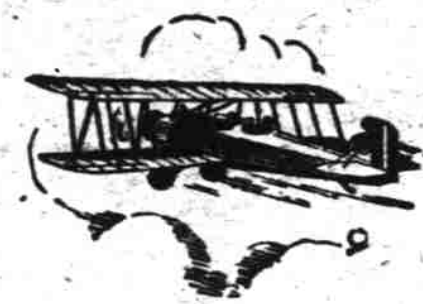

The Budget Buying Plan is a new charge service broadening the purchasing power of every member of the family. It is a safe and convenient way of buying things you need—paying a moderate amount at the time of purchase and the balance in small regular payments. This service extends to every department of the store and we invite every responsible person in this community to avail themselves of this service.
