SCHOOLS HIT BY FLU SEIGE

Illness of Pupils and Teachers Revealed on Reopening

Effects of the holiday vacation were quite noticeable in the Salem schools when they reopened Wednesday morning following the annual Christmas and New Years vacation. A number of teachers were absent and student rolls were incomplete, both due in the main to bad colds or influenza. The absence of students was especially noticed in the senior high school, despite the fact that 16 of the students who had been dropped for three or more days' absence previous to the vacation were again in school.

Among teachers who were unable to return to school and who will probably be absent for several days were: Mary Wilson of Washington, whose classes are being taught by Mrs. Will Evans; Mrs. Merle Davenport of McKinley, for whom Mrs. Crystal Edwards is substituting; Miss Neva Cooley of McKinley, whose work is being cared for by Silvia Paulson; Madeline Heckman of Englewood, her substitute being Luella Ellrey; Margaret Sims of Garfield Mrs. Harry Weidmer, substitute; Anna Johnson of Parrish, whose classes are being cared for by Winifred Walker; Bertha and Mabel Allen of Parrish, whose father is seriously ill.

In the senior high school, Mrs. Fred Duncan is out with the influenza, her classes being cared for by Ramona Walker, advanced student; and Miss Naomi Taylor for whom Mrs. Ralph Campbell is substituting.

But one new regular teacher commenced work with the new year, she being Bettie L. Broadbent, who takes the place of Mrs. Agnes DuRette Little, resigned, as third grade teacher at Garfield.

STOCK MARKET BOOSTED AGAIN

NEW YORK, Jan. 2.—(AP)—Last year's violent bull market carried over into the new year in a riotous fashion today, when some 50 issues surged up to a maximum of nearly 24 points.

Trading was in the largest volume since the heavy selling movement of early December, total sales aggregating 5,408,600 shares. The ticker again gave up printing the volume of all save the largest sales, but nevertheless ran for 34 minutes after the close of the market.

General Electric led the upturn with a spurt of 23¾ points to a new high record at 245¼. Radio and International Nickel certificates climbed about 20 points each, the latter to a new top. National Biscuit mounted about 10 to a new high, and Union Carbide made a like gain. Abraham and Straus mounted about 17 points to a new peak.

In the rails, Pennsylvania sold at 78 5-8, the highest price in 26 years, while Boston and Maine jumped 10 points to 100, the highest since 1912. General Motors moved up 5 points and Willys-Overland touches a new peak at 34. In the steels, Bethlehem, Central alloy and Otis broke into new high ground. Among coppers touching new highs were Kennecott, Calumet and Hecla and Anaconda, although the last was off more than a point, net, at the close.

OREGON VOTE FOR PRESIDENT IS CAST

Oregon republican presidential electors gathered in the executive department here at noon Wednesday and formally cast the state's electoral vote for Herbert C. Hoover, for president, and Charles H. Curtis, for vice-president.

One copy of the vote has been sent to the president of the United States, two copies to the secretary of state at Washington, one copy to the federal judge in Portland, and two copies to the secretary of state here.

The certificates to be filed in Washington have been sent by mail.

Presidential electors who gathered here today were Judge C. H. Carey, John L. Day and Mrs. Charles Runyon, all of Portland; Harold J. Warner, Pendleton, and Robert Kaykendall, Klamath Falls.

A luncheon followed the conference, at which Governor Patterson was a guest.

Conflict Over Ownership Of Oil Reserve on Again

WASHINGTON, Jan. 2.—(AP)—The controversy over the ownership of an important section in the Elk Hills Naval Reserve in Kern county, California, was reopened today when the supreme court set aside an injunction which had restrained the secretary of interior from inquiring into the title to the land held by the Standard Oil company of California.

The question at issue as explained by the court involved whether the land was known to contain minerals at the time it was surveyed and claimed by the state of California as a part of its school lands.

Probe Authorized

Congress authorized an inquiry in 1924 into the question of the ownership of the section, but when Dr. Hubert Work, then secretary of the interior attempted to proceed with the investigation, the Standard Oil company obtained from the supreme court of the District of Columbia an injunction restraining him. This court held that Albert B. Fall, while secretary of the interior, had taken action which precluded the reopening of the question of title. Its action was affirmed by the circuit court of appeals, but was reversed today by the supreme court.

Fall's Action Illegal

In an opinion by Justice Brandeis, to which there was no dissent, the highest court declared that "when Secretary Fall undertook to determine, not as a fact whether the land was known to be mineral in 1903, but as a proposition of law that, because of other conceded facts, the company's title had become unassailable, he acted without authority; and the order of dismissal based thereon did not remove the land from the jurisdiction of the department."

The supreme court emphasized that the inquiry which Secretary Fall should have directed, should have gone into the question whether the land was of known mineral content when surveyed. It declared that congress never intended that the secretary of the interior should have authority to pass on the state's claim to the land regardeless of its known mineral character, asserting that in taking such a position the secretary would nullify the expressed intention of congress that mineral lands were not granted to the state.

"PREPARE TO MEET GOD" IS WARNING

"Life's crowning consideration is our preparation to meet God," the Rev. Earl Wilde, noted evangelist, declared in a recent sermon before a packed house at the Nazarene church, where he is conducting a revival campaign.

The evangelist, in his sermon on "Prepare to Meet Thy God," said further:

"God has commanded that we seek first His kingdom, or put first things first. We may succeed gloriously in life but we fail miserably if we neglect our salvation. Happiness does not come from riches. The happiest people in the world are not the richest men but those who have found a Jesus Christ and are enjoying salvation and peace in their souls. Money will not buy peace with God.

"We will all meet God. We must all appear before the judgment seat of God. There we will face a record kept of our lives. There will be no appeal for mercy on that day for mercy's door will be closed. No person is prepared to meet God until he is rid of sin and has found deliverance from it here. We are going to meet an infinitely holy God. If we die unconverted we are going to meet a justly offended God. We will want to meet Him as a friend whom we have obeyed on that day."

HIGH RECORD COWS IN STUPFEL'S HERD

The first and second high producing cows in the Marion County Cow Testing association are in the C. J. Stupfel herd of registered Jerseys, final figures for 1928 showed Wednesday. The fifth and tenth highest are also in the same herd.

Jolly Cotillion Daisy, one of Mr. Stupfel's Jerseys, produced 10,077 pounds of milk and 578.2 pounds of butterfat in the year. This herd of 15 made the second highest average of all herds in the county; 393.7 pounds of butterfat per cow, and 7967 pounds of milk.

Mr. Stupfel's records show that his cows are given kind treatment, plenty of feed and careful breeding judgment is exercised.

The herd owned by Warren Gray of Marion held high herd average, 0627 pounds of milk and 394.2 pounds of butterfat. Mr. Gray has 19 Jerseys, all registered. He has raised several world champion cows.

Figures on the 1928 champions were furnished by F. A. Doerfler, farm advisor for the First National Bank of Salem, who declared that the cow testing association is proving its value in showing dairymen which of their cows are producing paying amounts of milk and butterfat, and in singling out the exceptional animals.

AUTO TRUCK UPSET BUT DAMAGE SLIGHT

JEFFERSON, Ore., Jan. 2.—(Special)—The motor truck operated by W. J. Etner was upset in front of Mrs. Nancy Miller's place while coming into town Tuesday, but no serious damage was done to the truck. Mr. Etner escaped injury.

Miss Jessie Moses of Monmouth spent the holidays with the Misses Kihs, and on Saturday evening a few friends were invited in for a social time. The evening was spent playing games after which all enjoyed an old fashioned taffy pull. Those present were Misses Jessie Moses, Maxine Chiles, Helen Marie and Laura Kihs and Anna Klampe; Messrs. M. R. Magness, Roy and Leslie Burt, Richard Sherman, Walter, George and John Kihs.

The Rev. A. C. Curry, pastor of the Evangelical church, who has been spending the holidays with his son Clarence and family at Dallas, was taken seriously ill and was unable to return home. Rev. H. C. Stover of Salem filled the pulpit at the Evangelical church on Sunday morning.

The Rev. F. W. Launer of Albany was called to Jefferson on Wednesday to conduct the funeral service for the late Wray Chain, which was held at the Evangelical church.

Miss Virginia Mason was elected to teach Latin, English and music in the high school at Woodburn for the remainder of the school year.

Mrs. Rose Buchanan left Friday to spend a few days visiting relatives in Springfield and Corvallis.

M. R. Magness of Eugene and Miss Anna Klampe called at the W. F. Klampe home at Labish Center Saturday.

Former Salem Man Improves, Report To Brother Here

Condition of Frank Barton, former Salem resident and business man who has been seriously ill in Portland for nearly two weeks, is improving slowly but steadily, according to word received this week by his brother, R. D. Barton. The latest word stated that his attendants expected that he would be able to sit up in bed within a few days. He is at the St. Vincent's hospital where he was taken after he was found unconscious on a street there. For several days he was conscious only at intervals and even yet he does not know whether he was struck by an automobile or simply fell down unconscious.

The same day Mr. Barton became ill, Clara Virginia Barton, his wife, died in Lewiston, Idaho. Mr. Barton will not be informed of her death until his condition is considered out of danger.

State is Testing Water at Eola as Caution Measure

A test of drinking water available at Eola Springs is being made by the state highway department, due to the fact that so many people have availed themselves of that source of water supply during the past week. It is thought that the water is perfectly safe, but the test is designed as a means of making sure that the quality of the water is high.

Several inquiries have been made of highway officials relative to the right of persons to sell the water. The reply has been that the water at the springs is on a state road and is owned by the state, which furnishes the supply without charge. However, the state is without authority to prevent its sale after the water is taken from the springs, it is said.

Bing Grocery in Chain Store Plan

Merger of Bing's cash grocery store, 598 North Commercial street, was consumated Wednesday when the property became a member of the Irish Cash Stores, a grocery chain operating in the Willamette valley. Mr. Bingenheimer retains a half interest in the store here, which he will manage.

M. R. Irish, general manager of the Irish chain, was in Salem Wednesday to confer with Mr. Bingenheimer regarding enlarging the present stock and making certain improvements to the store room.

The Irish chain of stores operates in Corvallis, Dallas, Lebanon Toledo and Brownsville. Before opening his store here Mr. Bingenheimer worked for the Irish organization.

JUDICIAL COUNCIL WILL MEET TODAY

PORTLAND, Ore., Jan. 2.—(AP)—The judicial council of Oregon, composed of all the circuit and supreme court judges in the state, will hold its annual meeting here next Friday, Albert B. Ridgeway, secretary, announced today.

The meeting will be presided over by Justice Oliver P. Coshow, new chief justice of the Oregon supreme court.

Creation of three additional circuit judges for Multnomah county; the right of a defendant to waive jury trial, except in murder cases; providing for a thirteenth juror, to serve in event of illness of one of the 12, are proposals to be submitted to the council. Proposals meeting favor will be submitted to the legislature for consideration and action.

Expert testimony will be dealt with on the basis that in all criminal cases where expert medical testimony shall be required, it shall be given by a commission of medical experts appointed by the court, and not otherwise. Physicians composing the commission in all criminal cases shall be paid by the county, the amount of compensation to be fixed by the trial judge.

The same rule shall apply in civil cases when either party may so request the court.

Pair Who Attack Police Released On Bail of $100

Joseph Bingham and Al Coats, arrested Monday night following an attack on Officer E. W. "Cherry" James of the Salem police department, were released on $100 bail each Wednesday after charges of resisting an officer had been filed against them in municipal court.

The men were alleged to have choked James in his own automobile in front of the city hall after he had driven from Commercial street with the pair, arrested on a charge of drunkenness. After a ten minute struggle in which they wrested his pistol from him, Officer Fisher, warned by James' groans after he was released, dashed out of the police station and overhauled the fleeing men back of the Senator hotel stage terminal.

When Food Sours

Lots of folks who think they have "indigestion" have only an acid condition which could be corrected in five or ten minutes. An effective anti-acid like Phillips Milk of Magnesia soon restores digestion to normal.

Phillips does away with all that sourness and gas right after meals. It prevents the distress so apt to occur two hours after eating. What a pleasant preparation to take! And how good it is for the system! Unlike a burning dose of soda—which is but temporary relief at best—Phillips Milk of Magnesia neutralizes many times its volume in acid.

Next time a hearty meal, or too rich a diet has brought on the least discomfort, try—
