

Willamette Defeats Oregon State College Quint 24 to 21

STATER'S LATE RALLY FAILURE

Bearcats' Victory First in Six Years; Hawk Leads in Scoring

CORVALLIS, Ore., Jan. 4.—(AP)—Willamette university defeated the Oregon State college basketball team 24 to 21 in a pre-season game here tonight. It was Willamette's first victory over Oregon State in six years of competition.

Coach Gill of the Staters used nearly every man on his squad and finally halted the scoring of the Bearcats after being led nearly two to one at half time. The State college rally, however, came too late to save the game.

Hawk was high scorer for Willamette, and Grayson, of O. S. C.

Good on Defense

Willamette defeated the Oregon State team by going on a scoring spree late in the first half, and then playing good defensive ball the rest of the game, according to word received here Friday night.

Amory Gill's Staters scored eight points before Willamette found the hoop; then "Spec" Keene's men rang up 15 points while Oregon State was getting only one more.

In the second half Oregon State scored 12 points to Willamette's nine.

Coach Keene used a new combination in this game, with Gibson starting at forward on the tip-off and then dropping back to guard. Seales and Adams were the forwards, Cardinal played center and Hawk the other guard. The scoring was fairly evenly divided among the Bearcat players, with Hawk just nosing out a lead.

Cardinal suffered a sprained ankle, which will handicap the Willamette team greatly against University of Oregon tonight at Eugene.

Winning basketball games proved to be a habit while Willamette university teams Friday. Coach Leslie Sparks' Bearkitten defeated the Franklin high quintet from Portland 45 to 15. Faber was the scoring star for the freshmen, chalking up 24 points.

SORDS POINTS

Sophomore Bids for Johnny's Crown

By JACK SORDS
Sports Cartoonist-Writer for Central Press and The Statesman

GEORGE KOJAC, 18-year-old boy swimming phenom, is still boosting the world record marks which he himself has set.

At a tank meet in Cleveland during the holidays the Rutgers sophomore bettered his own time for the 50 and 100-yard backstroke events. His time for the longer distance was 1:01 4-5, which is 1 3-5 seconds better than his former world record.

In the 50-yard event he broke his own record of 29 seconds, splashing the distance in 28 2-3 seconds.

Kojac is destined to succeed Johnny Weissmuller as the greatest of amateur swimmers now that Johnny has decided to turn pro.

He holds about all the records in the backstroke. He is the national indoor and outdoor champion and ran off with the Olympic honors in this specialty.

BALLYHOOD FOR JACK STARTED

William Muldoon Comes Out With Interview Lauding Ex-Champion

By EDWARD J. NEIL
Associated Press Sports Writer

NEW YORK, Jan. 4.—(AP)—Whether or not Jack Dempsey fights again he is the heavyweight champion of the world now, so far as William Muldoon, veteran New York boxing commissioner, is concerned.

The once famous "solid man," now 83 and snow haired but still a muscular mountain, is one of the sponsors of the Muldoon-Tunney trophy to be awarded the successor of the retired titleholder.

He was Gene Tunney's firm friend and advisor during the difficult days when the big Marine strove first to win and then to hold the heavyweight crown. Several times he stepped into Dempsey's controversies with the athletic commission to aid in disciplining the old Manassa mauler, then king of the boxing realm.

It's Different Now

But now Muldoon sponsors Dempsey. Today he named Jack one of the greatest athletes in the history of the ring, deplored the improper training and poor handling that had been his lot, scored the famous "long count" at Chicago, and offered his conviction that Dempsey, at 34, still has one of his greatest fights left in his system.

For the reason that he stands out above all the rest of the field now, with Tunney retired, Muldoon regards Dempsey as the logical possessor now of the title he once held without the slightest dispute. In other words Dempsey must be beaten by any heavyweight who desires to reach the top.

Nerve Reserve Needed

"Dempsey," Muldoon said, "needs no vigorous training grind to prepare him for the ring again. He needs only to build up a great reserve of nervous energy by careful training. His legs went back on Chicago because he had trained too long and too hard. He was prepared then as though for a finish match of the old days, rather than a ten round bout.

The former champion, at 34, is not too old for the ring. He has never dissipated to any great extent, has always trained lightly and kept in condition as a gentleman should and is not overweight. He needs no long conditioning but he does need proper handling.

Trainers Criticized

"Never has Dempsey been properly handled in his big matches. The day he won the championship from Jess Willard in 1919 at Toledo, Jack was wrecked by handling and ever since then has shown nervousness and excitement in his corner. Naturally he has been unable to do his best under those conditions. Still he is able to cope with the top notchers. He failed, but not by much.

Pittsburgh Won't Meet Webfoots on Gridiron Next Fall

PITTSBURGH, Jan. 4.—(AP)—The University of Pittsburgh today declined an invitation to meet the University of Oregon in a post season football game next December 7 in the west.

University officials refused to sanction the game on the grounds it was not the policy of the school to permit trips which kept players away from classes for an extended period.

DUTRA IS TIED WITH ESPINOSA

Tacoma Man and Noted Chicago Golfer Each Turn in Score of 68

By VICTOR G. SIDLER

CHULA VISTA, Calif., Jan. 4.—(AP)—East of the great shared honors in the first 18 holes of qualifying play of the \$2500 San Diego open tournament here today, when Al Espinosa of Chicago and Monte Dutra of Tacoma, Wash., deeded out at 68 for the leadership of the large club.

Espinosa, who hails from the Illinois Golf club, and Dutra, of the Tacoma Country club, battered down par in their journeys over the Chula Vista course.

Their cards were four strokes under par. Espinosa showed a 35, 69, par for the opening nine and a 33, four under par figures, on the homeward jaunt. Dutra sliced one off par going out and three coming in. Another dazzling round was that of Charles Guest, of the Tam "Slinger" club, who held down third place at the end of the 18 hole test, with a 69. Guest turned in a 34-35.

One stroke behind Guest came the great Walter Hagen, British open champion, who shared the 70 stroke division with five others. Craig Wood of New York, Henry Cull of Bridgeport, Conn., Jules Blanton of Toledo, Ohio, Dallas Jeffers of Long Beach, Calif., and Bill Foley, of Coronado, Calif.

Leo Diegel, national professional champion, who is playing in defense of the San Diego open honors, finished with a 71, in company with Al Watrous, Detroit; Horton Smith, 21, Joplin, Mo.; Johnny Rodgers, of Denver, Colo.; Tom Stevens, veteran internationalist of Los Angeles, and Willard Hutchinson of Pasadena, Calif.

Johnny Golden, Stocky Patterson, New Jersey professional, who romped off with the first place money in the La Jolla open closed yesterday, stroked the layout in even par figures of 72. Tommy Armour of Washington, D. C., and former national opening king, Dewey Weber, of Chicago, Dan Williams of Shackamaxon, N. J., Clark Morse of St. Louis, Ralph Kingsrud of Fargo, N. D., and Neal Colburn of Pasadena, Calif., also finished in perfect figures.

Salem High Quint Beats Roosevelt, Score 57-13; Siegmund Tops Scorers

The old difficulty that Salem high school basketball teams have had to contend with for years, namely lack of competition, cropped out again Friday night when the red and black shirted players sifted at will through the Roosevelt high team and chalked up a 57 to 13 victory in the first interscholastic game of the season.

Don Siegmund, slender forward, emerged as Salem's scoring star, literally outrunning his guard to score 17 points. In the second half the local team scored on nearly every rush down the floor. Charles Kelly in the first half and Kitchen and Perrine in the second half, all made plenty of points to add to Siegmund's quota. Beecher played speedy and effective basketball, but became perceptibly tired toward the end, not having recovered entirely from his recent illness. Graber performed capably after relieving Beecher. The visitors exhibited plenty of speed in floor play, but were either the poorest coached team in the northwest, or else entirely lost on the big Salem hit. They made repeated fouls due to faulty methods of guarding, and habitually tried "guess shots" from as far away as the center of the floor. They tried few if any shots from inside the foul line. And they used a bounce pass almost exclusively, even when it could do nothing but waste time in open territory. Against Salem's rushing offense they played flat-footedly, and frequently lost track of the men they were expected to guard. The Salem team too was not without its faults. Chief of these was a tendency to make long passes, most of which against any but a flat footed defense, would have been intercepted.

Strangler Lewis Loses His World Wrestling Title

BOSTON, Jan. 4.—(AP)—Gus Sonnenberg, Dartmouth football star, won the heavyweight wrestling championship of the world from Ed "Strangler" Lewis here tonight, when Lewis was disqualified after refusing to return to the ring after being butted out seven times.

Sonnenberg won the first fall with his famous "flying tackle" in 29 minutes and 46 seconds. When the wrestlers returned to the ring, they pawed each other for about five minutes, with the champion on the defensive. Then Sonnenberg started butting Lewis in the abdomen. The champion fell or crawled out of the ring seven times and finally, when he failed to step back inside at the count of 10, referee Leon Burbank disqualified him after eight minutes and 20 seconds of wrestling for the second fall.

PROHIBITION DRIVE WILL BE LAUNCHED

WASHINGTON, Jan. 4.—(AP)—A ten weeks' campaign to "make Washington an example and encouragement to the cities of the nation" in the cause of prohibition, is to be launched Sunday by the National United committee for Washington, composed of executive heads of 14 national organizations.

Announcement of the campaign, which was described as "nothing spectacular, but a determined effort to arouse the people of Washington to a realization of existing conditions" came coincidentally with congressional moves for prohibition.

Senator Edge, republican, New Jersey, a wet, introduced today an amendment to a resolution offered yesterday by Senator Jones, republican, Washington, for a congressional investigation of the matter. The edge amendment would have the prohibition situation studied by a citizens' commission appointed by Herbert Hoover after his inauguration.

The Washington prohibition drive will be in charge of Dr. Clinton N. Howard, who said that he had been pledged the cooperation of the Washington Ministers' association, and that he would work with the police department. The campaign will open with a mass meeting Sunday at the First Congressional church, and will continue for ten weeks.
