### Cutplay Palefaces on Floor; Siegmond Leads Locals in Scoring

Five agile and warlike Indian scouts, dashing madly through a defense that bore some resemblance to the forests in which their forefathers fought of yore, gave the palefaces of Salem high school a bad scare Tuesday night, but like those same ancestors, the Indians didn't have the shooting irons necessary to cope with the well equipped white men. Kept at long range, their bows and arrows didn't match up to rifles.

That is to say, the Salem high basketball team defeated Chemawa Indian school 37 to 21 on the high school floor.

Uncovering a brand of floor play that was clearly superior to that of the Salem high team, the Redskins attacked repeatedly, but their shots went wide of the mark, and through most of the game the locals were leading two to one.

"Delayed Offense" Used  
Late in the second half the Redskins suddenly found the range and George, with some help from G. Meachem and Braveagle, flipped enough baskets to give the Salem fans a bad fright, but it was too late; especially when Siegmond checked in by adopting the "delayed offense" style of play made famous by Medford high. It was significant to note that the Salem partisans who hooted and

## Stribling Abides by Order To Leave Airplanes Alone

MIAMI BEACH, Fla., Feb. 5.—(AP)—W. L. (Young) Stribling announced tonight that he will obey Jack Dempsey's injunction against flying an airplane or riding a motorcycle until after his fight with Jack Sharkey here February 27.

"I was going to get a lot of recreation out of my plane before the fight, but it looks like I'll have to use an automobile or 'shank horses.' If I want to feel the breeze in my face," the Georgia fighter said. The injunction requested yesterday by Dempsey's attorneys had not been served on Stribling tonight.

Stribling is doing road work tonight, but will start his ring training at the Miami Beach Kenel club Friday. Sharkey plans to begin tomorrow and will go through his paces again on Thursday, but will go to Tampa with Dempsey Friday to attend a fight there. Sharkey worked out in his ring today for news cameramen and drew applause from a crowd gathered to watch him.

Harland Clodfelter of Corvallis lost two decisions to Davey Phelps of O. N. S., 128 pounds. The bout was rather one sided, Clodfelter proving slow.

Ivan Ginther of O. N. S., 135, lost by one fall and one decision to Captain Otto Otjen of Corvallis, with both contestants eager to mix.

## Loughran Wallops Emanuel for Second Time

### VERDICT TAKEN OVER OPPONENT

### Critics Award 5 Rounds to Tommy With 3 for Command and 2 Even

LOS ANGELES, Feb. 5.—(AP)—Tommy Loughran, light heavy-weight king, for the second time tonight won a ten round decision over Armand Emanuel, San Francisco boxer. Sport critics gave Loughran five rounds and Emanuel three, with the others called even.

Loughran put on a whirlwind finish in the ninth and tenth rounds after having been knocked to the floor in the seventh for no count.

Emanuel lost a previous encounter to Loughran last June in New York, also by the decision route.

Smith of O. N. S., the other two tries being adjusted draws. This was one of the outstanding matches, both being aggressive.

Donald Wagner, Corvallis, 180, took two straight falls from Harry Lefever of O. N. S. Wagner, an agile lad for his weight, never allowed his opponent to get in position for an attack.

Wayne Petrie and Charles Miller wrestled three minutes to a draw in one preliminary at 90 pounds. In another local preliminary, Richard Bond and Charles Petrie, 100 pounds, wrestled to a draw.

Stanley Garaby won the first boxing event from Angelo Pasero on a technical knockout. Pasero's left arm was broken at the elbow in a clinch just as the milling was at its height. They weighed 135 pounds each.

Frank Senn, 140 pounds, won a technical knockout from Marion Martin when the latter failed to come back for the second round after being pounded terrifically in the first.

Barney Senn, 165, won over "Toney" Ayers when the latter was disqualified for hitting with the heel of his hand after being warned twice. Ayers went down for the nine count twice in the first round, then came back strong and fought toe to toe with his opponent in the second. Ayers knocked Senn down for two counts and again for nine in the third round, and had a slight margin in the fourth.

The final bout was an exhibition between Marion Wilson and George York, with the latter showing Senn's experience.

L. I. Daily, boxing instructor at the normal school, was referee of all events.

The Willamette university basketball team "on edge" for the crucial series with Whitman College here Thursday and Friday nights, the series which in all probability will decide the Northwest conference championship.

The final practice to perfect team play for the two important games will be held tonight.

Coach "Spec" Keene is slightly worried by sluggishness which appeared Tuesday night in the defense, but this was believed only a temporary defalcation, as the men have been checking fast in recent practices.

The games Thursday and Friday nights will start at 8 o'clock. It has been announced, Bobby Morris of Seattle has been chosen as referee and Al French of Portland will be umpire.

## KIWANIS HEARS OF CABINET RULE AIM

Methods which will permit Oregon to make large savings in the administration of its state government were explained by Hector MacPherson, Lin county legislator, in an address made Tuesday noon at the Salem Kiwanis club.

"I am sure that consolidation of effort would see a great reduction in travel expense, a saving in office rents, and reduction of stenographic costs."

The state of Illinois, said the speaker, was the first to effect a departmentalized central government. This was accomplished in 1917. While other states saw their government costs increased from 45 to 100 per cent during the war, Illinois operated with an increase of only 37 per cent.

Following the example of Illinois, 14 other states have reorganized their state governments, said MacPherson. Marked savings have accompanied the reorganization, Pennsylvania estimating that \$20,000,000 was saved in one year under the plan.

W. J. Braun of the Willamette Loan Co., was introduced by E. E. Bragg as a new member of Kiwanis. Directors of the club will hold their regular meeting Friday, Ralph Cooley, president of the club, announced.

## 'Candida' To Be Given Again at Waller Tonight

By popular request the Theta Alpha Phi production of "Candida" is to be repeated this evening at Waller hall on the Willamette university campus at 8:15 o'clock.

Should spring and fall marry—can a charming woman of 32 resist the pleadings of a much younger man and cling to her husband—does woman love the man who protect her, or the man who need her? All these are answered in this production.

"Candida" is one of the best known and finest of Shaw's many famous plays and the manner in which the Theta Alpha Phi cast will produce it on January 25, has received the highest commendation from many sources.

## CONFESSED SLAYER REPUDIATES STORY

SEATTLE, Feb. 5.—(AP)—Just as he has repudiated for four years the suicide pact he entered into with his sweetheart, Sarah Elizabeth Johnson, slain August 2, 1924, J. R. Selvaer, Harvey Lee Selvaer attempted tonight to repudiate his confession of the murder, and failed.

Selvaer surrendered to Seattle police Sunday night after what he termed "four years of ghost ridden wanderings." He told police of his murder of the 16 year old girl on August 14, 1924, after he had been refused permission to marry her by her father, a New Jersey farmer who employed him.

Her death, Selvaer said, was the outcome of a suicide pact which he was to kill Sarah and then take his own life.

Under further questioning by Chief of Detectives Charles Tennant today about the murder, Selvaer denied the statements he was reported to have made.
