HOLLYWOOD REFLECTS SPRING FASHION TRENDS FROM PARIS OPENINGS

Stylists in Paris are all agog over the showings of the great designers and the style tendencies for the spring and summer season. Hollywood reflects these trends in the gowns worn by the beauties of the screen. Pictured here are a few of the latest gowns worn by these well known young women. Left, Lorayne Duval wears an exquisite evening gown with tight bodice of gold sequins and bouffant skirt of tulle ruffles. Margaret Livingston, second to left, shows the effectiveness of a gown of black circ lace—lace is one of the most popular frock-mediums this year—form fitting, with inserts of lace and short train. The sleeves are long. In the center Laura LaPlante shows an adorable frock of hand embroidered French batiste with plaited ruffles of net. It is worn ever a silk crepe slip of shell pink. The same star poses cond from right in a sports costume consisting of black circular skirt with gray knitted overblouse. Margaret Livingston, right, wears a beautiful evening gown of black chiffon velvet with a draped circular skist
