Only Hope Says Senator Miller to Chamber

The present financial embarassment of Oregon is not due to unthe boys that their place was in wise governmental expenditure can be made in any appreciable With basic assertion, Senator

ed to outline to the chamber of commerce Monday noon his proposed sales tax which he characterized as a measure raising so program is being prepared and of the National Association of Of-small a unit revenue that the buragencies in Cleveland, Ohio, Febcustomer and yet a measure which ruary 27. Mr. Rice will cover the provides more than one million department of superintendence. dollars in revenue for the state. Sales Levies Small

Miller declared that labor and business interests would not oppose his tax because the levies were exceedingly small. Charges on gross business would range from one-tenth to three-tenths of one per cent of gross sales, depending on the type of business followed.

In addition to explaining his sales tax, Miller outlined the tax relief program being considered by the legislature. This included. he said, equalization by counties of assessment, a measure now be-Portland Medical Journal, and fore the governor, supervision of Clyde C. Foley, secretary of the local bond issues by a state commission, an excise tax to provide city and county medical associarevenue from banks and an income tax.

G. L. Losh representing the forward movement campaign of Willamette university, pointed out the financial and moral advantages accruing to Salem from having the university here.
