

R. C. A. PHOTOPHONE **EL SINORE**

- STARTING TOMORROW -

Add Colors from Jack Frost's Palette

--- that nimble imp never painted autumn leaves with more charming colors than those used by the makers of these New Blabon linoleums—colors that will add a delightful harmony to some room whose furnishings you want to improve.

BILTWELL UPHOLSTERED FURNITURE

New - the pillow arm davenport --distinctive!

An unusually large and deep-seated Biltwell davenport, the distinguishing feature of which is the loose pillow arm, filled with finest Kapok. The gracefully curving serpentine front and the hand-carved Queen Anne legs of solid mahogany add to its richness and charm. Your choice of many fine coverings.

The suite—davenport and chair—covered in finest mohair with reversible cushions unusually low priced at

\$289

R. C. A. PHOTOPHONE

Heralding A New Era in Feature Productions from the World's Greatest Studios --- Starting with

HIT OF THE SHOW

A heart wringing story of the show world as it really is—with a great cast of well known stars including Joe E. Brown, Gertrude Olmstead, Leroy Mason, Gertrude Astor, Daphne Pollard, others.

Greater Stage Shows Every Wednesday
Matinees, 25c — Evening, 60c

NOTE!

R. C. A. Photophone ranks as the greatest of all sound equipment today — and we take pride and pleasure in announcing that no time, money or effort has been spared in the installation of Photophone in the Elsinore theatre to furnish our patrons with what we sincerely believe to be the greatest and finest tone quality in sound—musical and talking pictures of all time.
