Myrtle Point Upsets Dope and Will Represent District 5 in Meet

First entries in the state basketball tournament to arrive in Salem were the members of the Wallowa high school team, champions of district 1, who appeared at the Willamette university gymnasium Monday afternoon for a light workout. They ran around the track to get used to the western Oregon climate, then shot baskets on the gym floor where the state tournament will be held beginning Wednesday night.

Members of the Wallowa squad include Willis Hershey, Carl Posey, Glen Clark, Oliver Pine, Clifford Hanson, Cecil Posey, M. Crabtree, Glen Crawford and Vandon Sarrett. They were accompanied by their coach, Charles K. Dawson. They are staying at the Senator hotel. Other teams as they arrived will be assigned to the various hotels of the city.

State Game Commission Authorizes Changes in Fishing Dates in Oregon

PORTLAND, Ore., Mar. 11.—(AP)—The Oregon State Game Commission, in an all-day session today, opened several streams to anglers and closed others.

The Willamette river and tributaries, in the vicinity of Enterprise, Ore., was opened and the opening date of the angling season in East lake, Elk lake and Paulina lake was advanced from April 15 to May 15. The date was changed, according to Harold Clifford, state game commission, to prevent fishing through the ice. Because of the liberation of fish in the Metolius river, from the south line of the forest service camp ground to the head of the river was closed to provide for the use of spawning grounds. It was decided that MUK creek and all tributaries in Clackamas county would be opened with the beginning of the regular angling season, April 15.

The deadline for angling on the Willamette river at Oregon City was changed to 200 feet below the falls to include several favorite fishing holes. The commission refused a request to open Roaring river to fishing because of the hatchery on that river and also refused to close part of Mary's river in Benton county.

It was decided to conduct the regular warden's convention in Portland this spring April 8 and 9. Clifford was granted authority to construct booths on the Sandy river to sell special licenses during the smelt run as provided in the recent legislature. He also was authorized to represent the game commission at a conference on river pollution to be held at Eugene, Ore., March 21 and 22 under the auspices of the University of Oregon.

Segrave's Auto Speeds 231 Miles Per Hour

ALL PREVIOUS MARKS BROKEN

British 12-Cylinder Auto Goes Twice as Fast as Ordinary Airplane

By T. R. GILL
Associated Press Staff Writer
OCEAN SPEEDWAY, Daytona Beach, Fla., Mar. 11.—(AP)—In a flaming streak of super-speed, Major H. O. D. Segrave, famous British race track driver, today set a new world's speed record for automobiles by sending his powerful Golden Arrow machine roaring over the hard, wave-lapped ocean speedway here at the tremendous speed of 231.36246 miles an hour.

Driving his glistening 12-cylinder machine at a dazzling pace, Major Segrave eclipsed by 23.81 miles an hour the former record of 207.55 set here last year by Ray Keech, of Philadelphia, in the 36 cylinder Triplex owned by J. M. White. The new mark also surpassed by 23 miles an hour the record of 203 which Segrave set here in 1927 with his Sunbeam special.

Return Trip Staged
After a short delay at the north end of the course, during which time Segrave changed all four wheels and tires, and replenished the ice supply in his cooling system, the intrepid driver notified his officials he was ready to make his second run south over the course. The two runs were necessary that his average speed with wind against the wind could be calculated.

Jumping to their feet as the car appeared far down the beach, the spectators assumed a tense and motionless posture as their eyes followed the machine back down the beach. With a tremendous burst of speed the car crossed the mile at the north end of the course gaining momentum rapidly as it neared the stands and flashed by the spectators with another deafening roar. Almost in an instant it had disappeared far down the beach in light mist that had been kicked up by the surf. The second run, two tenths of a mile slower than the first, was as repetitive with thrills as his initial trial.

After stopping for a few minutes at the south end of the course Segrave drove his machine slowly back up the beach and stopped in front of the grandstand. Immediately he was surrounded by hundreds of cheering spectators. Smiling broadly Segrave climbed out of his car, shook hands with many of his admirers and observed he was glad to have been able to establish a record.

The first person to reach his side was his wife. She had sat in the grandstand during the trials, but would not witness the race. She kept her hands over her face, fingered nervously with a handkerchief and occasionally put a smelly sial to her nose.

When Segrave brought his machine to a stop in front of the grandstand, she rushed out to the course, embraced him and congratulated him. Then she posed with her proud husband, while newsreel cameraman recorded the scene.

Oaks Trim Beavers by 10-9 Score

ANAHEIM, Cal., Mar. 11.—(AP)—Oakland defeated Portland 10 to 9 here today in a Pacific coast league spring exhibition game that was featured by six home runs. Four of the circuit clouts went to Portland batters, but were not as opportune as the two garnered by Anton, Oakland first sacker, whose second blow brought in the winning run.

"Bullet" Joe Bush, veteran major league pitcher, being used by Portland in the outfield for the time being, smashed out two our-baggers Art Jahn and Gale Staley got Portland's other two homers.

The score:
R H E
Oakland 10 10 2
Portland 9 9 5
Dumovich, Casage and Read, Thomas; Ortmann, Knight and Bates.

SI FLOOK ROUGH ON SPARRING PARTNERS

MILL CITY, Mar. 11.—While training recently for his bout here next Tuesday with Jackie Wattenberger of Independence, Si Flook of Mill City went on a rampage and put four sparring partners to sleep before calling it an evening.

A good many fans in Salem and in Polk county are confident that Wattenberger will win, but those who have seen Si work out are of the opposite opinion.

Battling Hunter of Portland has sent word that he will lick Red Hayes or know the reason why, and Red Hayes got a decision over Hunter at Salem recently and Hunter is anxious to redeem himself.

Victory Closes Hoop Season at Mill City High

MILL CITY, Mar. 11.—(Special)—The Mill City high school basketball team defeated the Gearhart Friday night by a score of 27 to 7. Although the score was uneven, the game was exciting. Charles Kelley, star local player, hurt his ankle in the first quarter and was not able to play any more. His substitute Roger Harris, played an exceptionally good game.

As this was the last game of the season the students celebrated with a big bonfire before the game and a big feed afterward.

The town is proud of the team which has been defeated in only three games this season.

Dr. Warner is making the trip east on business in connection with the health demonstration and also to study at the Childs hospital there.

Schmeling, Maloney to Stage Fight

BOSTON, Mass., Mar. 11.—(AP)—The fistie destiny of Max Schmeling, German heavyweight, was decided today during a telegraphic conference between William F. Carey of Madison Square Garden, New York, and Eddie Mack, boxing promoter of the Boston garden.

These officials after agreeing to work in connection with an attempt to straighten out the muddled heavyweight situation, decided to pit Schmeling against Jimmy Maloney of Boston here at Brava's field, early in June. Schmeling, Carey said, was expected to return from Germany long before then.

STOLIKER BOOSTS CITY LEAGUE MARK

Holding the City bowling league high individual game record is something akin to being the heavyweight fight champion, but breaking that record didn't enable Virgil Stoliker of the Winter Garden management to lead the O'Leary's Legionnaires to victory in their final game Monday night.

Scheel's Men's Wear advanced one game on the Man's Shop. Scheel's beat the war veterans three games straight and the Man's Shop won from the Flying Clouds two out of three. The Capital City Bedding company won from the Elks two out of three. Stoliker's record was 256, to make which he bowled nine strikes, sparring in the seventh frame and again on the extra frame.

In the Ladies' league, Hartman's took two games out of three from Central Pharmacy, and the Winter Garden won two out of three from Capitol theatre.

WALKER PAIRED WITH LOUGHRAN

Middleweight Title Holder to Defend Crown March 28 at Chicago

CHICAGO, March 11.—(AP)—Approval of the boxing match between Mickey Walker, world's middleweight champion, and Tommy Loughran, light heavyweight titleholder, opening the Chicago stadium March 28, finally was given by the Illinois State Athletic commission today.

A forfeit of \$10,000 as a guarantee that Walker will defend his middleweight title against Ace Hudkins, before September 30, was posted with the commission. It was in the form of a certified check, provided by Jack Kearns, Walker's manager.

If Walker should fall within the allotted time to defend his crown against Hudkins or against any other contender to be named in Hudkins' stead by the commission the \$10,000 must be the terms of the agreement signed by Kearns, will be forfeited.

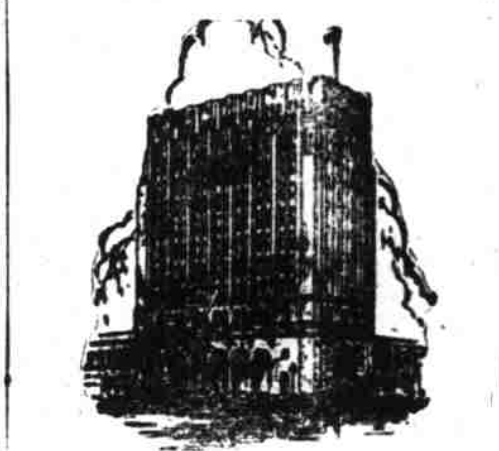

After the Walker-Loughran match the forfeit will be forwarded to the California Athletic commission, since there have been tentative arrangements for Walker and Hudkins to meet this summer on the west coast.

Despite this, however, if negotiations for the match fall through, the Illinois commission retains the right to name any other opponent or give the \$10,000 forfeit to a national charity.

The commission also approved the match between Leo Lomski and Tuffy Griffin as the semi-windup to the Loughran-Walker bout.

5-Day Training Planned For All Sunday Teachers
