Doctors everywhere are prescribing this new treatment for colds: and it is delighting thousands by the quick relief it brings when used consistently,

Begin when you feel a cold coming. Take a tablespoonful of Phillips Milk of Magnesia in a glass of water, morning, noon and night, the first day. Do the same thing the second day. Then take only at night. Colds reduce the alkalinity of

your system. That's what makes you feel achy, feverish, weak, half sick from them. Phillips Milk of Magnesia is alkali in harmless, palatable form. It relieves the symptoms of colds by restoring the alkalinity of your system. For fifty years, this pleasant alkaline has been famous as an anti-acid. Doctors prescribe Phillips Milk of Magnesia; hospitals use it; millions know how it relieves sour-stomach, gas, indigesacidity. All drug stores recom mend it. 25c and 50c bottles, with full directions for its many uses. "Milk of Magnesia" has been the U. S. Registered Trade Mark of the Chas. H. ### uses a cup of SUGAR in boiling ham

A famous cook gives bis recipe

A MAN, famous among his friends for his fine cooking, was asked the secret of his delicious boiled ham. He gave this simple recipe: Put a cupful of sugar in the water that boils an average size ham. Also one-half cup of vinegar. Try this and see how much it improves the

taste and flavor of the ham. Every good cook knows that there is no substitute for sugar in improving the enjoyment of other foods. Whether in preparing fresh vegetables, fruits or meats, sugar is the secret of suc-cessful cookery.

Sweetness is nature's perfect flavor. It is also the cheapest num triment that you can buy. Health comes from eating good foods, flavored to please the taste. Beware of extreme reducing diets. They are dangerous. Eminent medical authoration warn us that permanent injury often results rom starvation diets.

Be sure that you and your children are properly nourished. Eat enough of varied toods, sweetened for enjoyment. The Sugar
