The combined coaches, officials and sport writers of the state tournament, gathering at a luncheon at the home of "Spec" Keene, Willamette university athletic mentor, Saturday noon selected first and second all-tournament

The Staresman doesn't set the judgment of its sports department ahead of all those authorities combined, but in view of the fact that the selection was made before the final championship game. believes that a difference of opinion is at least in order.

The only difference in the first team is that MacDonald of Medford is placed instead of Melvin of the same team. MacDonald's Team shooting really won the championship for Medford, because he Ducks4 scored when it was anybody's game and nobody else could score. Melvin made some points, but not until they were superfluous, and which the officials couldn't see.

Lewis of Washington was given all but three votes of the officials for center; Thompson of Astoria two and MacDonald one. ia got 14 votes. Melvin nine, Gibson of The Dalles six, Inman of Washington three, Moffitt of Eugene two, James of Tillamook and

MacDonald one each. There was a wide selection of guards, but Morgan of Medford and Sarrett of Wallowa were far ahead of the field with eleven votes each. Olinger of McLoughlin got four votes, MacDonald two, Ward of The Dalles two, Garnett Mrs. Wick Gives of Medford, Thompson of Astoria, James of Tillamook, Ystad of Astoria, Gibson of The Dalles and Pesonen of Astoria one each.

Either first team would be well balanced, with three charging offense men in MacDonald or Melvin, Larson and Sarrett; a deceptive, steady center, Lewis to counterbalance them, and an almost perfect backguard, Morgan.
