Edgar Keller: Briefly Chats

go The Keller art exhibit will be a the Gilbert Studio yet today, where it has been attracting the atention of a large number of Salem people for the past week.

The pictures are all originals, the work of Edgar Keller, who has for the past 20 years been an exhibiter and painter of works of art that have drawn the attention of art connoisseurs the country over. His works have a range of illustrating, designing, etching, and painting. It is interesting to know that Mr. Keller was the originator of the childs book "Yama Yama Land," and also of Granddaddy Long Legs Fun Songs.

In discussing modern art Mr. Keller has said that "when applied to the decorative idea it is splendid but for pictures—I can't see it." The present modern art roally started about 1886 and should be truly called "impressionistic," "for," said Mr. Keller, "modern art has always been modern art has always been Ruskin wrote of modern painting. and so have many ohters as history marched along. Modern art helongs to every period. What one means by modern art is 'contemporary' art. The present modern eart could be classified as impressionistic, post-impressionistic, futuristic, cubistic, and even some are calling themselves Dadas.

"Sane pictures and pictures that | dist church, 7:30 o'clock, can be understood will live," for Mr. Keller belives, the present freak fads in painting are as Herbert Spencer said "Knowledge out of order, the greater the knowledge, the greater the confusion.' From his wide experience Mr Keller makes the statement that the fads do not get into the best exhibits but are prone to be placed on a commercial, money extracting basis.

Mr. Keller plans on doing som painting around Salem for, as, he ways, "there could not be a better landscape" to offer inspiration. Mr. and Mrs. Keller are now the guests of Mr. and Mrs. Monroe Gilbert.

SWEETEN ACID STOMACH THIS PLEASANT WAY

When people experience distress two hours after esting—suffer from heartburn, gas, indigestion—nine times out of ten it's excess acid that's causing their trouble. The best way—the quickest way to correct this is with an alkali. And Phillips Milk of Magnesia is an alkali, in the harmless, ost pleasant and palatable form. it's the form physicians prescribe; which hospitals use; which millons have come to depend upon n over 50 years of steadily in-

creasing use.

A spoonful of Phillips Milk of Magnesia in a glass of water neutralizes many times its volume in. excess acid; and does it at once. In five minutes, the symptoms of excess acid disappear. To know this perfect way is to be through with crude methods forever. Be sure to get genuine Phillips Milk of Magnesia. A less perfect

product may not act the same. All drug stores have the generous 25c and 50c bottles. Full directions for its many uses are always in the nackage.

'Milk of Magnesia" has been the U. S. Registered Trade Mark of the Chas. H. Phillips Chemical Co., and its predecessor, Chas. H. Phillips, since 1875.—adv.

"Too Much Married" Meets Success

One of the most interesting social events in the history of the organisation, was the evenings entertainment given last Saturday by Hanna Ross Court No. 6, Order of the Amaranth, in the ballroom of the Masonic temple. The program opened with a one act comedy, "Too Much Married," which was very favorably received put on by members of the order,

by the one hundred and seventyfive people present. Later cards and dancing were enjoyed, fourteen tables of bridge and 500 being in-play. High score at bridge was won by Mrs. Blake and Mrs. Bernardi won high score for 500. This was the third of a serise of entertainments sponsored by the Amaranth, all of which have been very successful and much enjoyed.

Guild Benefit Bridge Interests Large Group

The St. Vincent de Paul Guild benefit bridge which is to be given Monday afternoon at the Fraternal temple for the St. Vincent hall is receiving a response from Salem matrons that is distinctly encouraging to the committees for the affair. In all, sixty tables have been reserved.

Since the previous announce ment the following matrons have reserved tables: Mrs. James A. Garson, Mrs. Lyman McDonald. Mrs. Elmer Daue, Mrs. M. Lane, Mrs. Sam Adolph, Mrs. O. A. Olson, Mrs. E. A. Skelley, Mrs. W. H. Burghardt, Mrs. John Orr, Mrs. T. M. Barr, Mrs. Ivan G. Mar- him Friday, the occasion of celetin, and Mrs. J. A. Bernardi.

Compliment Visitor

It is delightful to chat with people who have had the priceles pportunity of having known one's favorite author intimately. One of the most interesting vis-

itors of the week is Mrs. Edgar Keller in whose home the splendid young modern, Eleanor Wylle, spent some time and who has herself proved an artist on the stage. Mrs. T. A. Livesley has invited a small group of friends who are especially admiring and interested in Eleanor Wylie's works to come during the tea hour this afternoon that they may meet and chat in-

ivesley home. A charming affair of Wednes. day for Mrs. Keller was the informal afternoon at which Mrs. Donald Young was hostess to called during the atternoon to meet Mrs. Keller were Mrs. Curtis Cross, Mrs. Frank Durbin, Mrs. William Burkhardt, Mrs. Carl Nelson and Mrs. Monroe Gilbert,

Make the Whole Meal More Enjoyable

Jams, jellies and preserves are marvelous energy foods for children, athletes, and all physically active people. In addition to that, they make the whole meal more delicious. They are appetizing spreads for bread, accompaniments for meats, and tasteful additions to toast, muffins and hot breads.

Another good thing about jams, jellies and preserves, all grocers today carry them. These bought foods are delicious. Their purity can be depended on. They contain appetizing fruit acids, and beneficial minerals and vitamins.

Thousands of women and girls today are permanently injuring their health by dangerous weight reduction. All children should be a little overweight, if anything, as protection against disease. It is almost a rule of health that

those foods that are made more delicious by sugar are the best for us to eat.
