POLK'S PLANTINGS IN ALFALFA LARGE

400 Acres to be Put Out is Estimate Made by Farmers of County

DALLAS, April 10. - (Special) -The alfalfa plantings of Polk county are expected to expand more than ever this year. Records available in the county agents office show that 400 acres will be planted within the next two months, and many more acres that have not been recorded are also expected to be seeded this year, as Polk county's soil seems to be ideal for alfalfa.

Farmers who have already secured their seed according to these records are T. E. Blair, T. S. Paine, T. J. Werth, Rex Womer, V. A. Fox, D. W. Siddon, A. R. Sexton, L. F. Bursell, C. Mueller, Glen De Haven, N. A. Nelson, A. E. Sackett, J. H. Harland, Claud Larkin, C. Ralph, W. W. Rowell, A. J. McGowan, D. R. Ruble, Ed Vieth, W. O. suit for divorce has been on trial here for three weeks.

Portions of nearly all of the letters were read by Inman's counsel and Mrs. Inman as well as the jury and others allowed in the courtroom were laughing almost continuously. Mrs. Inman said that she encouraged Steele for the purpose of having him write the letters and that she intended they should be found by Inman. Her idea, she said, was to make Inman jealous and in that way force a return of his affections. The letters were taken from Mrs. Inman's apartment by Beatrice Cooper, a former cook, and turned over to Inman's New York counsel.

Managed between 50 and 75 per cent of last year's total, and pears, prunes, plums and T ho mpso n seedless grapes were also hit hard. Another killing frost swept the Sacramento valley today, with Sutter county reporting a new April low of 22 degrees. The frost and cold spell is predicted by the weather bureau to continue to morrow.
