Johnny Miles Smashes All Records in 1929 Marathon

IN FOUR YEARS

Karl Koshi of New York Is Second, Barely Beating Willie Kyronen

BOSTON, April 19-(AP)-All records for the famous Boston A. A. Marathon were smashed today when little Johnny Miles of Hamilton, Ont., raced across the finish line a winner for the second time in four years. His time for the 26-miles, 385 yards, was two hours, 33 finutes and 8 4-5 seconds, almost four minutes faster than the mark set last year by Clarence Demar, the six-times winner, who limped in ninth to-

About two minutes after Miles broke the tape, Karl Koshi of New York sped up the home stretch, racing to beat off Willie Kyronen, his Finnish-American clubmate, who was shut out of second place by a scant 18-sec-

Whitey Mitchelson of the Millrose A. A. New York, who raced shoulder to shoulder with Miles for 25 miles, landed fourth place in 2 hours, 37 minutes, 22 1-5 sec-

Jack Lamb of Boston, who amazed the hundreds of thousands of spectators lining both leading the field of 188 starters for more than 20-miles, came home in fifth place in 2 hours, 39 minutes, 25 seconds, just a fraction of a minute ahead of William Taylor of Sydney Mines, N.

Another Canadian, G. Ruotsa-laines of Montreal, landed seventh place and he led Roland O'Toole of St. John's, N. F., to the line by a good two minutes.
