

1929 TALENT MEET SLATED

Elaborate Plans Are Laid by Marion County Community Organization

The annual talent contests sponsored by the Marion county federated community clubs promise this year to be the best ever. Dr. P. O. Riley of Hubbard, president of the clubs, has prepared an outstanding program starting with a big parade at 2 p. m. at the state house in Salem. Prizes will be offered for the largest representation from any community in Marion county. Prizes will also be given for the most grotesque appearance and one which best represents the town. These prizes will be \$50, \$25 and \$10.

To the family bringing the greatest number of children in the parade will be awarded a \$25 blanket, by the Bishop Woolen store of Salem. Twelve bands will play individual pieces after the parade and then all will play together, "America," and "The Star Spangled Banner," under the direction of Prof. O. T. Thayer of Salem.

The contests will start promptly at 7:30 Friday evening, May 24 at the Elsinore theatre. Silver loving cups, medals of honor and prize ribbons will be given besides other valuable tokens. Every club in Marion county should send its

Tax Apportionment For All Salem and Its Outlay. Made by the Oregon Voter

Schools and city government expenses take the largest share of the taxpayer's dollar when Salem citizens put up their annual property tax assessment according to figures released this week by the Oregon Voter, which diagrams the expenditures of each tax dollar for the various cities of the state. The total property tax levied during the current year from Sa-

lem was \$959,179. Of this amount the distribution is as follows:

Item	Amt.	Pct.
Sid's Bonus	\$ 9,092	.95
City gov't.	352,171	36.72
State gov't.	18,779	1.96
Roads	147,308	15.36
County Gen'l.	49,842	5.20
Schools	336,421	35.08
Higher Ed.	45,540	4.75
Total	\$202,124	

The distribution of taxes for the entire county for the 1929 property tax dollar is:

For State purposes:	Amt.	Pct.
Soldiers' bonus	\$ 25,059	1.2
Higher Educa.	125,365	6.2
General	51,700	2.4

Total	\$1,924,527	90.8

The Voter compiles the average expenditures of the taxpayer's dollar for purposes of comparison of one county's outlay with another. The average for the state on the basis of a \$100 check is:

Soldiers' bonus	\$ 1.10
City government	18.70
State government	2.20
Roads, etc.	18.42
Local districts	8.57
County government	7.28

name to the secretary, Dr. Henry Morris, First National Bank building in Salem, as soon as possible in order to arrange the details. The pictures of all communities taking part will appear in a national magazine and moving pictures will be made of the parade. The Molalla Buckaroos will have a special place in the parade for a unique stunt to announce their big Wild West Show, July 2-3-4 at Molalla. It is expected that over 1500 will participate in the marching line. There will be a special Salem chorus night for Salem contestants only when the winner will be awarded a silver loving cup. Communities may enter soloists, duets, quartets, choruses, dancers, any talent in that they direct. Oregon is the first state to offer contests of this kind and on account of this fact has received wide publicity. Dr. Riley expects from 5,000 to 10,000 people to attend the six contests this year.

STAYTON MAN QUITE ILL WITH PNEUMONIA

STAYTON, May 1—Clarence Linber is quite ill with pneumonia at the home of his wife's parents, Mr. and Mrs. Ed Doerfler, north of town. He is under the care of Dr. Brewer who is being assisted by a trained nurse from Salem.

The county visitation meeting of the L. O. O. F. lodge was held here on Saturday night. It was a general get-together of the various lodges throughout Marion county. There were more than 100 present from out of town beside a goodly number of Stayton members. Degree work was put on when until a late hour when refreshments were served.

DATE OF CONTEST EXTENDED 2 WEEKS

In order to obtain more entries for the City Beautiful contest, which is being staged by the Salem Garden club, the closing date for the contest has been extended from May 1 to May 15. While 37 prizes have been secured for the event to date only 14 citizens have signified their intention of entering the contest. The Garden club is insistent in

its appeal to townspeople to secure their entrance in the contest inasmuch as this year is one of many conventions here and the club holds the community should be especially interested in presenting its best appearance to visitors. No matter what condition one's home yard is in, there is a good opportunity for winning a prize, said Doerfler Wednesday. Improvement of a garden from the condition in which it was when entered in the contest is what will count. Not only flowers and shrubbery but new lawns, new sidewalks, new cleaning up of side lots and other similar changes will count in the garden contest.
