

Our Factory Purchase SHOE SALE

Several large shoe factories have failed in the past year and others must have cash; anyone that can pay cash can buy shoes at a ridiculously low price.

We have been forewarned of this condition and were in a position to offer cash for a large lot of high grade shoes. We are going to pass this merchandise on to you at the same reductions that we received from the factories.

This purchase includes practically everything in men's and women's shoes, some of the very latest models in ladies' pumps and sport oxfords,

in colored kid, colored calf, late buckle and strap effects. The entire lot is new, up-to-date merchandise—a great quantity of it was made up for the best firms in America, but could not be shipped on account of credit conditions. WE ALSO INCLUDE IN THIS SALE FLORSHEIM and ARCH-PRESERVER SHOES FROM THE STOCK OF THE PRICE SHOE CO.

This merchandise needs no introduction to the Salem buying public as it's supreme quality is recognized the world over and the prices are made to sell shoes. Our entire stock will be remarked so anyone can buy shoes at wholesale and in some instances less. Be sure and come early for the best selection.
