Demonstration is Made

Janice Higgins and Marion Shorey then gave a demonstration of how to make popovers. They showed how to measure accurately and put the ingredients together. The popovers were baked and shown to the audience.

The Lions sewing club then gave a catchy song on picnics and proceeded to give a demonstration in needlework. This was made by Mathias Crouser and Wesley Goodrich, who showed how to measure, cut out and put together an emergency kit.

After a song by the Busy Bees, June Edwards and Swaka Usul gave a demonstration for the girls sewing team. The making of a tea towel from measuring to finishing was ably shown.

Clubs' Work Results Shown

The program by the 4-H club was closed by a song and followed by a splendid talk by William Fox, president of the Boys and Girls club work in Marion county in which he gave figures showing the extent of the club work, and also told of the wonderful results that have been accomplished in leadership and character building.

Mr. Fox congratulated the club members here upon their work, upon the complete demonstrations and most of all upon their capable leader, Mrs. Roy Rice, who has been untiring in her work with them. Mr. Fox presented Mrs. Rice with a pin as a reward for bringing the members to a one hundred per cent club.

After the formal program those present were invited into an adjoining room to see an exhibit of the many things made by the 4-H club and sample some of the cooking. School work from both the primary and upper graders was also on exhibit.

Exhibits Are Judged

Mrs. Mary Fulkerson and Miss Reed of Salem acted as judges for the club exhibit and awarded the prizes as follows:

Girls' sewing club: Gladys Pasley, first; Swaka Usul, second; Dorothy Rice, third.

Boys' sewing club: Roy Rice, first; Marion Shorey, second; Mathias Crouser, third.

Cooking club: Roy Rice, first; Marion Shorey, second; Janice Higgins, third.

A beautiful basket of flowers was presented to Mrs. Forest Edwards by Mrs. Roy Rice in appreciation of her work with the music of the program and her faithfulness in attending each practice with the children. Mrs. Roy Rice, Mrs. Forest Edwards and the teachers, Mrs. Beckett and Mrs. Helen Larson are to be congratulated on their work with the children and the splendid program given by them.

Concrete Sewer Pipe

is best for your city, because—

- It lasts indefinitely without maintenance. Concrete pipe laid 50 years ago is still giving perfect service.
- It is uniform in quality—being made to meet the exacting specifications of the American Society for Testing Materials.
- It has remarkable strength and density—and actually becomes stronger with age.
- Its internal diameters do not vary more than 1%, providing maximum hydraulic capacity.

A concrete sewer system is an excellent dividend-paying investment for any community.
