

### SALEM AD CLUB IS WELL REPRESENTED

#### Four Members Go to Portland for Program; Plan Oakland Jaunt

Four members of the Salem Advertising club had a good time at Portland Wednesday when they attended a day's program and entertainment sponsored by the Portland club as a part of Advertising Achievement week. Representing the Salem group were S. E. Keith, William Paulus, Edwin Thomas and R. H. Marshall. Keith took the greetings of the club here and made an informal talk at the noon luncheon.

### LINFIELD NET STARS LOSE TO BEARCATS

Willamette university's tennis players, both men and women, made a clean sweep in matches against Linfield college players Wednesday.

#### ICELAND FOR PACT

COPENHAGEN, Denmark, May 16.—(AP)—Word was received here today that the government of Iceland had ratified the Kellogg pact.

### SAMUEL VEATCH VISITS NOW ON RETIRED LIST

#### Conductor Faithful Over Long Period of Work

Samuel Veatch of Portland, a retired Southern Pacific railroad conductor, who has held several other high official positions with that company, is spending the week in Salem. Mr. Veatch is no doubt known to more people in the Pacific coast and northwest states than any other one man in this territory, through his years of contact with the traveling public in his official positions and continuous travels over all branches of the Southern Pacific lines from Portland to San Francisco.

Mr. Veatch came from the worthy old Veatch-Knox stock of sturdy pioneers who crossed the plains behind ox teams and settled in southern Lane county at what is now known as Cottage Grove in the late fifties. Mr. Veatch has inherited many of the sterling qualities of his honored pioneer ancestry. In Salem as in all of the other larger cities of the Willamette valley, he has a host of staunch friends and acquaintances with whom he enjoys an occasional visit.

#### Likes Growth of Salem

He expresses no little surprise at the rapid growth and development of the valley cities, Salem in particular, during the past few years, and says this progress and advancement is only just getting under way.

Mr. Veatch is now on the retired list of Southern Pacific employees, a condition in which he is allowed to travel anywhere by train or stage over the whole great system, with a pension sufficient to keep the wolf from the door

brush in all its perfection the rose.

Some day, in the far distant future, when Sam Veatch arrives on the dot on schedule time in the realm of the fields of asphodel beyond the stars, this humble paragrapher ventures a guess that he will begin at once a search for a Shasta Limited or some other crack train, so that he may busy himself with the duties and responsibilities of the work he has loved and adorned on this side of the pearly gates.

### Mrs. Sanford New Chairman Finance Group

Mrs. Rex Sanford was named chairman of the finance committee of the Y. W. C. A. at the official board meeting of that group held in the club rooms Tuesday morning. Mrs. C. S. Hamilton, president, was in the chair. Mrs. C. A. Swope and Mrs. Eric Butler gave reports on the northwest regional conference held in Walla Walla the first of the month. Mrs. Swope has just been named treasurer to succeed Mrs. D. R. Ross, resigned.

#### MRS. JOHNSON BETTER

HUBBARD, May 16.—The many friends of Mrs. S. L. Johnson of Hubbard are glad to learn that she is improving. Mrs. Johnson underwent a major operation at the Hubbard Mineral Springs Sanatorium Wednesday of last week. Miss Elizabeth Hazlett is assisting in the home during Mrs. Johnson's illness.

### HUGE ELEPHANT IS FEATURE OF SHOW

#### Tusko Takes Special Car to Contain Bulk; Bigger Than Jumbo

When the Al G. Barnes circus trains pull into Salem Saturday, May 18, there will be the usual crowds on hand to see Tusko, largest elephant in the world, a foot taller and a ton and a half heavier than the famous Jumbo. At every stand the circus plays, a huge gathering greets "the last of the mammoths." The other elephants are detained separately. When Tusko finally appears, great "Oh!" arises from hundreds of lips, and then a moment of silence as this mastodon stalks like some fabled beast of mythology from his specially built car.

### PARRISH HIGH WILL GAIN 100 PUPILS

Registration for the Parrish junior high school will approximate 100 more pupils at the beginning of next fall term than it did last September. Principal H. F. Durham said Wednesday after making as accurate an estimate as possible at this time. Last fall 802 pupils registered the first day.

Principal Durham allowed only the same number of pupils from the rural schools as entered this year. Grade schools, according to figures now available, will furnish the following to Parrish next year: Richmond, three pupils; Garfield, 48; Grant, 25; Highland, 22; Englewood, 34; and Washington 15. Mr. Durham estimates enrollment by grades for next year as follows: Seventh B, 150; sev-

enth A, 78; eighth B, 175; eighth A, 75; ninth B, 320; and ninth A, 84.
